The History Of Altabari The Abbasid Recovery Volume Xxxvii:

The History of al-Ṭabarī Vol. 37, 2015-07-07 This volume of al-Ṭabarī's annals deals almost exclusively with the final stages of the Zanj revolt the most serious external challenge faced by the central authorities in the last half of the third ninth century The rebellion which began as an Alid uprising but soon gave way to Kharijite influences was a movement that attracted the disenfranchised elements of society in lower Iraq Their battle against the tested armies of the Caliphate continued over three decades And while the Zanj were never able to translate their localized successes into any decisive victory they caused widespread chaos and great concern for those who had a vested interest in political and economic stability In many respects the Zanj resemble modern revolutionary movements that live off the countryside and harass the authorities They emerged occasionally for conventional battles but more often than not they resorted to unconventional warfare taking advantage of the extremely difficult terrain in the marshy areas of the region that gave rise to them To defeat them the government armies had to improvise new tactics and a strategy based on the lessons of early defeats

The Fatimid Caliphate Farhad Daftary, Shainool Jiwa, 2017-10-30 I B Tauris in association with the Institute of Ismaili Studies The Fatimids ruled much of the Mediterranean world for over two centuries From the conquest of Qayrawan in 909 to defeat at the hands of Saladin in 1171 the Fatimid caliphate governed a vast area stretching at its peak from the Red Sea in the East to the Atlantic Ocean in the West Their leaders the Ismaili Shi'i Imam caliphs were distinctive in largely pursuing a policy of tolerance towards the religious and ethnic communities of their realm and they embraced diverse approaches to the practicalities of administering a vast empire Such methods of negotiating government and diversity created a lasting pluralistic legacy The present volume edited by Farhad Daftary and Shainool Jiwa brings together a series of original contributions from a number of leading authorities in the field Based on analyses of primary sources the chapters shed fresh light on the impact of Fatimid rule The book presents little explored aspects of state society relations such as the Fatimid model of the vizierate Sunni legal responses to Fatimid observance and the role of women in prayer Highlighting the distinctive nature of the Fatimid empire and its legacy this book will be of special interest to researchers in mediaeval Islamic history and thought

Captives and Companions Justin Marozzi, 2025-10-21 The definitive history of the slave trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet s Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan s elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For wom leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world s insatiable

demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania Captives and Companions takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization
