Political Power in the Middle East Linda T. Darling,2013-05-02 From ancient Mesopotamia into the 20th century the Circle of Justice as a concept has pervaded Middle Eastern political thought and underpinned the exercise of power in the Middle East The Circle of Justice depicts graphically how a government s justice toward the population generates political power military strength prosperity and good administration This book traces this set of relationships from its earliest appearance in the political writings of the Sumerians through four millennia of Middle Eastern culture It explores how people conceptualized and acted upon this powerful insight how they portrayed it in symbol painting and story and how they transmitted it from one regime to the next Moving towards the modern day the author shows how although the Circle of Justice was largely dropped from political discourse it did not disappear from people s political culture and expectations of government The book demonstrates the Circle s relevance to the Iranian Revolution and the rise of Islamist movements all over the Middle East and suggests how the concept remains relevant in an age of capitalism A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism **KaE ba Orientations** Simon O'Meara,2020-07-06 The most sacred site of Islam the

KaE ba the granite cuboid structure at the centre of the Great Mosque of Mecca is here investigated by examining six of its predominantly spatial effects as the qibla the direction faced in prayer as the axis and matrix mundi of the Islamic world as an architectural principle in the bedrock of this world as a circumambulated goal of pilgrimage and site of spiritual union for mystics and Sufis and as a dwelling that is imagined to shelter temporarily an animating force but which otherwise as a house holds a void *The Cambridge Global History of Fashion: Volume 1* Christopher Breward,Beverly Lemire,Giorgio Riello,2023-08-17 Volume I surveys the long history of fashion from the ancient world to c 1800 The volume seeks to answer fundamental questions on the origins of fashion challenging Eurocentric explanations that the emergence of fashion was a European phenomenon and shows instead that fashion found early expressions across the globe well before the age of European colonialism and imperialism It sheds light on how fashion was experienced in a multitude of ways depending on

class gender and race and despite geographical distance fashion connected populations across the globe Fashions flowered and were reseeded through entanglements of empire forced and voluntary migration evolving racial systems burgeoning sea travel and transcontinental systems

Land Between the Rivers Bartle Bull,2024-09-10 The epic five millennia history of the region between the Tigris and Euphrates Rivers that was the birthplace of civilization and remains today the essential crossroads between East and West At the start of the fourth millennium BC at the edge of historical time civilization first arrived with the advent of cities and the invention of writing that began to replace legend with history This occurred on the floodplains of southern Iraq where the great rivers Tigris and Euphrates meet the Persian Gulf By 3000 BC a city called Uruk from which Iraq is derived had 80 000 residents Indeed as Bartle Bull reveals in his magisterial history if one divides the 5 000 years of human civilization into ten periods of five centuries each during the first nine of these the world s leading city was in one of the three regions of current day Iraq or to use its Greek name Mesopotamia Inspired by extensive reporting from the region to spend a decade delving deep into its history Bull chronicles the story of Iraq from the exploits of Gilgamesh almost certainly an historical figure to the fall of the Iraqi monarchy in 1958 that ushered in its familiar modern era The land between the rivers has been the melting pot and battleground of countless outsiders from the Akkadians of Hammurabi and the Greeks of Alexander to the Ottomans of Suleiman the Magnificent Here by the waters of Babylon Judaism was born and the Sunni Shia schism took its bloody shape Central themes play out over the millennia humanity s need for freedom versus the co eternal urge of tyranny the ever present conflict and cross fertilization of East and West with Iraq so often the hinge We tend to view today s tensions in the Middle East through the prism of the last hundred years since the Treaty of Versailles imposed a controversial realignment of its borders Bartle Bull s remarkable sweeping achievement reminds us that the region defined by the land between the rivers has for five millennia played a uniquely central role on the global stage

Decline and Fall of the Sasanian Empire Parvaneh Pourshariati,2017-03-30 I B Tauris in association with the Iran Heritage Foundation Decline and Fall of the Sasanian Empire has been acclaimed as one of the most intellectually exciting books about late antique Persia to have been published for years It proposes a convincing contemporary answer to an age old mystery and conundrum why in the seventh century ce did the seemingly powerful and secure Sasanian empire of Persia succumb so quickly and disastrously to the all conquering armies of Islam In her bold solution to this enigma Parvaneh Pourshariati explains that the decentralized dynastic system of the Sasanian ruling hierarchy in fact contained the seeds of its own destruction This confederacy whose powerbase relied on patronage and preferment eventually became unstable and its degeneration sealed the fate of a doomed dynasty

The History of al-Tabarī Volume XL ,2015-07-07 Completed in 1999 by a distinguished group of Arabists and historians of Islam the annotated translation of al abar s History is arguably the most celebrated chronicle produced in the Islamic lands on the history of the world and the early centuries of Islam This fortieth volume the Index compiled by Alex V Popovkin under the supervision of Everett K Rowson serves as an essential

reference tool It offers scholars and general readers convenient access to the wealth of information provided by this massive work The Index comprises not only all names of persons and places mentioned by al abar with abundant cross referencing but also a very broad range of subject entries on everything from pomegranates to forms of punishment The volume includes a separate index of Quranic citations and allusions as well as a list of errata and corrigenda to the entire translation
