

The History Of Georgia

Kenneth Coleman

The History Of Georgia:

The History of Georgia: Aboriginal and colonial epochs Charles Colcock Jones (Jr.),1883 The History of Georgia..
Hugh McCall,1816 A History of Georgia Kenneth Coleman,1991 First published in 1977 A History of Georgia has become
the standard history of the state Documenting events from the earliest discoveries by the Spanish to the rapid changes the
state has undergone with the civil rights era the book gives broad coverage to the state s social political economic and
cultural history This work details Georgia s development from past to present including the early Cherokee land disputes the
state s secession from the Union cotton s reign Reconstruction the Bourbon era the effects of the New Deal Martin Luther
King Jr the fall of the county unit system and Jimmy Carter s election to the presidency Also noted are the often overlooked
contributions of Indians blacks and women Each imparting his own special knowledge and understanding of a particular
period in the state s history the authors bring into focus the personalities and events that made Georgia what it is today For
this new edition available in paperback for the first time A History of Georgia has been revised to bring the work up through
the events of the 1980s The bibliographies for each section and the appendixes have also been updated to include relevant
scholarship from the last decade The History of Georgia Hugh McCall,1816 *The History of Georgia* Charles Colcock
Jones,2003 The History of Georgia Timothy Shay Arthur,William Henry Carpenter,1852 This volume is part of a series
written to make state histories accessible to the general public *The History of Georgia* Hugh M'Call,1909 The History
of Georgia, Containing Brief Sketches of the Most Remarkable Events Up to the Present Day, (1784) Hugh
McCall,2015-06-12 Excerpt from The History of Georgia Containing Brief Sketches of the Most Remarkable Events Up to the
Present Day 1784 This is a reprint not a revision The first volume of McCall s History was published in 1811 the second
volume in 1816 Major McCall was nearly a man at the close of the Revolution later a gallant officer in the regular army He
learned devotion to duty and from a sense of duty combined with love of country he wrote his History of Georgia while
suffering constant and tormenting pain and confined to a roller chair by his physical disabilities Having served faithfully in
the armies of his country he did not want the record of what was truly its heroic period to be lost and in so far as he could
preserve that record in spite of age and feebleness and pain he did so There are many curious phrases in the book many
familiar words the spelling of which does not look familiar There are a number of statements not altogether accurate in detail
But I have made no changes I prefer to give to our readers the work exactly as it came from Major McCall s hand written at a
time when a great many men who had been soldiers of the Revolution were yet in the prime of life Notwithstanding its
defects of punctuation of grammar and of spelling it is a work of intense interest to Georgians and it is reproduced exactly as
it was first printed ninety eight years ago except that the two volumes are included in one with the idea that it will be helpful
to the Georgians of this day to read of what the Georgians of that day did and suffered About the Publisher Forgotten Books
