

The History Of Ort

Michael Brenner

The History Of Ort:

The History of ORT Leon Shapiro,2010 **The History of ORT** Leon Shapiro,2010 About the history of the ORT Jewish vocational education organization The History of ORT Leon Shapiro,2010 The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte,Olga Tabachnikova,Peter Wagstaff,2012-04-03 The Jewish emigration from Russia after the Revolution of 1917 changed the face of Jewish culture in Western Europe Russian Jews brought with them the visions of a national Jewish literature in Hebrew Yiddish or Russian and new concepts of secular Jewish music and art Often they acted as intermediaries between Jewish centres in Europe which resulted in the creation of a single sphere of Jewish culture common to all parts of the European diaspora Although some stayed in Western Europe for only a few years before moving on to Palestine the budding Hebrew culture in Palestine would not have been the same without this relatively short period of intense contact between Russian Jewish and Western European cultures The History of Birobidzhan Gennady Estraiikh,2023-02-23 Gennady Estraiikh s book explores the birth growth demise and afterlife of the Birobidzhan Jewish Autonomous Region JAR The History of Birobidzhan looks at how the shtetl was widely used in Soviet propaganda as a perfect solution to the Jewish question arguing that in reality while being demographically and culturally insignificant the JAR played a key and essentially detrimental role in determining Jewish rights and entitlements in the Soviet world Estraiikh brings together a broad range of Russian and Yiddish sources including archival materials newspaper articles travelogues memoirs belles letters and scholarly publications as he describes and analyses the project and its realization not in isolation but rather in the context of developments in both domestic and international life As well as offering an assessment of the Birobidzhan project in the contexts of Soviet and Jewish history the book also focuses on the contemporary Jewish role of the region which now has only a few thousand Jewish occupants amongst its residents *Jewish Rights, National Rites* Simon Rabinovitch,2016-10-01 In its full color poster for elections to the All Russian Jewish Congress in 1917 the Jewish People s Party depicted a variety of Jews in seeking to enlist the support of the broadest possible segment of Russia s Jewish population It forsook neither traditional religious and economic life like the Jewish socialist parties nor life in Europe like the Zionists It embraced Hebrew Yiddish and Russian as fulfilling different roles in Jewish life It sought the democratization of Jewish communal self government and the creation of new Russian Jewish national cultural and governmental institutions Most importantly the self named folkists believed that Jewish national aspirations could be fulfilled through Jewish autonomy in Russia and Eastern Europe more broadly Ideologically and organizationally this party s leadership would profoundly influence the course of Russian Jewish politics Jewish Rights National Rights provides a completely new interpretation of the origins of Jewish nationalism in Russia It argues that Jewish nationalism and Jewish politics generally developed in a changing legal environment where the idea that nations had rights was beginning to take hold and centered on the demand for Jewish autonomy in Eastern Europe Drawing on numerous archives and libraries in the United States Russia Ukraine and

Israel Simon Rabinovitch carefully reconstructs the political movement for Jewish autonomy its personalities institutions and cultural projects He explains how Jewish autonomy was realized following the February Revolution of 1917 and for the first time assesses voting patterns in November 1917 to determine the extent of public support for Jewish nationalism at the height of the Russian revolutionary period

Documenting the History of Religions in the Hungarian Academy of Sciences (1950–1970) Valerio Severino, 2021-05-03 The present volume offers a new account of the activities of the International Association for the History of Religions during the Cold War By focusing on the IAHR membership of the Hungarian Academy of Sciences in 1957 the book reconsiders the impact of the Iron Curtain Valerio Severino examines unpublished international correspondences bureaucratic requests confidential reports submitted by the delegates after their participation in congresses in Western Europe and the USA Facts and insights about leading Hungarian scholars and internal processes of the IAHR are reconstructed in detail Through doing so Severino is able to evaluate the permeability of the Iron Curtain the exchange of knowledge between the opposing blocs the ideological control exercised through the Academy and the ways in which academics subjected their work to this obligation

Transregional Connections in the History of East-Central Europe Katja Castryck-Naumann, 2021-10-25 Transregional connections play a fundamental role in the history of East Central Europe This volume explores this connectivity by showing how people from eastern and central parts of Europe have positioned themselves within global processes while in turn also shaping them The contributions examine different fields of action such as economy arts international regulations and law development aid and migration focusing on the period between the middle of the nineteenth century and the end of the Cold War The authors uncover spaces of interaction and emphasize that internal and external entanglements have established East Central Europe as a distinct region Understanding the connectedness of this subregion is stimulating for the historiography of East Central Europe as it is for the field of global history

A History of Jews in Germany Since 1945 Michael Brenner, 2018-11-01 A comprehensive account of Jewish life in a country that carries the legacy of being at the epicenter of the Holocaust Originally published in German in 2012 this comprehensive history of Jewish life in postwar Germany provides a systematic account of Jews and Judaism from the Holocaust to the early 21st Century by leading experts of modern German Jewish history Beginning in the immediate postwar period with a large concentration of Eastern European Holocaust survivors stranded in Germany the book follows Jews during the relative quiet period of the 50s and early 60s during which the foundations of new Jewish life were laid Brenner's volume goes on to address the rise of anti Israel sentiments after the Six Day War as well as the beginnings of a critical confrontation with Germany's Nazi past in the late 60s and early 70s noting the relatively small numbers of Jews living in Germany up to the 90s The contributors argue that these Jews were a powerful symbolic presence in German society and sent a meaningful signal to the rest of the world that Jewish life was possible again in Germany after the Holocaust This volume which illuminates a multi faceted panorama of Jewish life after 1945 will remain the authoritative reading on the

subject for the time to come Frankfurter Allgemeine Zeitung An eminently readable work of history that addresses an important gap in the scholarship and will appeal to specialists and interested lay readers alike Reading Religion Comprehensive meticulously researched and beautifully translated CHOICE *Jews in the Soviet Union: A History* Gennady Estraikh, 2022-12-20 Offers an analysis of Soviet Jewish society after the death of Joseph Stalin At the beginning of the twentieth century more Jews lived in the Russian Empire than anywhere else in the world After the Holocaust the USSR remained one of the world's three key centers of Jewish population along with the United States and Israel While a great deal is known about the history and experiences of the Jewish people in the US and in Israel in the twentieth century much less is known about the experiences of Soviet Jews Understanding the history of Jewish communities under Soviet rule is essential to comprehending the dynamics of Jewish history in the modern world Only a small number of scholars and the last generation of Soviet Jews who lived during this period hold a deep knowledge of this history Jews in the Soviet Union a new multi volume history is an unprecedented undertaking Publishing over the next few years this groundbreaking work draws on rare access to documents from the Soviet archives allowing for the presentation of a sweeping history of Jewish life in the Soviet Union from 1917 through the early 1990s Volume 5 offers a history of Soviet Jewry from the demise of the brutal dictator Joseph Stalin to the military confrontation between Israel and Arab states in 1967 known as the Six Day War Both historic events deeply affected Soviet Jews who numbered over two million in the wake of the Holocaust and still formed at that point the second largest Jewish population in the world Stalin's death led to the release of political prisoners and the reduction of the level of fear in society The economy was growing and conditions of life were improving At the same time the state had doubts about the loyalty of the Jewish population and imposed limitations on their educational and career prospects The relatively liberal period associated with Nikita Khrushchev's thaw after the Stalinist bitter frost became a prelude to the years when contemplation about or practical steps toward emigration to Israel or elsewhere began to play an increasing role in the lives of Soviet Jews In this pioneering analysis of the thaw years in Soviet Jewish history Gennady Estraikh focuses both on the factors driving emigration and dissent and on those Jews who were able to attain a high standard of living and to rise to esteemed positions in managerial academic bohemian and other segments of the Soviet elite

Embracing the Track of Phrase: An Psychological Symphony within **The History Of Ort**

In some sort of eaten by screens and the ceaseless chatter of quick interaction, the melodic splendor and mental symphony created by the prepared word frequently fade into the back ground, eclipsed by the persistent sound and disruptions that permeate our lives. However, nestled within the pages of **The History Of Ort** a charming fictional treasure filled with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that interesting masterpiece conducts readers on a mental trip, skillfully unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of the poignant evaluation, we can investigate the book is central harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
