The Holocaust In History Tauber Institute For The Study Of European Jewry:

The Holocaust in History Michael Robert Marrus, 1987 Tauber Institute for the study of European Jewry series v 7 Presents an assessment of the Holocaust explains the nature of historical debate and shows how historical research has changed direction in recent years

Memoirs Hans Jonas, 2021-04 Jonas was a veritable intellectual celebrity in Germany owing to the runaway success of his 1979 book *The Imperative of Responsibility* an extra ordinarily timely work that mediates between humankind's enormous technological capacities and its diminished moral sensibilities The book became something of a cultural shibboleth Jonas himself became a celebrated public intellectual For Jonas this development must have been enormously gratifying In the 1920s Jonas studied philosophy with Edmund Husserl and Martin Heidegger at universities in Marburg and Freiburg but the Nazi regime's early attempts to Aryanize the universities forced Jonas to leave Germany for London He emigrated to Palestine in 1935 and eventually enlisted in the British Army's Jewish Brigade to fight against Hitlerism Following the Israeli War of Independence in which he also fought he emigrated to the US and took a position at the New School for Social Research in New York He became part of a circle of friends around Hannah Arendt and Heinrich Blücher which included Adolph Lowe and Paul Tillich Because Jonas's life spanned nearly the entire twentieth century this memoir provides nuanced pictures of a host of important historical moments of German Jewry during the Weimar Republic of German Zionism of the Jewish emigrants in Palestine during the 1930s and 1940s and of German Jewish emigre intellectuals in New York In addition Jonas outlines the development of his work beginning with his studies under Husserl and Heidegger and extending through his later metaphysical speculations about God after Auschwitz

A Holocaust Controversy Samuel Moyn, 2005-08-22 A provocative study of a French Holocaust controversy of the 1960s and the dynamics of postwar memory

Holocaust Literature David G. Roskies, Naomi Diamant, 2012 A comprehensive assessment of Holocaust literature from World War II to the present day

Sites of European Antisemitism in the Age of Mass Politics, 1880-1918 Robert Nemes, Daniel Unowsky, 2014-08-05 This innovative collection of essays on the upsurge of antisemitism across Europe in the decades around 1900 shifts the focus away from intellectuals and well known incidents to less familiar events actors and locations including smaller towns and villages This from below perspective offers a new look at a much studied phenomenon essays link provincial violence and antisemitic politics with regional state and even transnational trends Featuring a diverse array of geographies that include Great Britain France Austria Hungary Romania Italy Greece and the Russian Empire the book demonstrates the complex interplay of many factors economic religious political and personal that led people to attack their Jewish neighbors

The Individual in History ChaeRan Y. Freeze, Sylvia Fuks Fried, Eugene R. Sheppard, 2015-05-22 Jehuda Reinharz born in Haifa in 1944 spent his childhood in Israel and his adolescence in Germany and moved with his family to the United States when he was seventeen These three diverse geographies and the experiences they engendered shaped his formative years and the future of a prolific scholar who

devoted his life to the study of the central role of leadership as Jews faced the challenges of emancipation and integration in Germany the rise of modern antisemitism the formation of Zionist youth culture and politics and the transformation of Jewish politics in Palestine and the State of Israel In this volume eminent scholars in their respective fields extend the lines of Reinharz s research interests and personal activism by focusing on the ideological political and scholarly contributions of a diverse range of individuals in Jewish history Essays are clustered around five central themes ideology and politics statecraft intellectual social and cultural spheres witnessing history and in the academy This volume offers a panoramic view of modern Jewish history through engaging essays that celebrate Reinharz s rich contribution as a path breaking and prolific scholar teacher and leader in the academy and beyond

Holocaust Mothers and Daughters Federica K. Clementi,2013-12-03 In this brave and original work Federica Clementi focuses on the mother daughter bond as depicted in six works by women who experienced the Holocaust sometimes with their mothers sometimes not The daughters memoirs which record the all too human qualities of those who were persecuted and murdered by the Nazis show that the Holocaust cannot be used to neatly segregate lives into the categories of before and after Clementi s discussions of differences in social status along with the persistence of antisemitism and patriarchal structures support this point strongly demonstrating the tenacity of trauma individual familial and collective among Jews in twentieth century Europe

Jewish Philosophical Politics in Germany, 1789-1848 Sven-Erik Rose,2014-08-05 In this book Rose illuminates the extraordinary creativity of Jewish intellectuals as they reevaluated Judaism with the tools of a German philosophical tradition fast emerging as central to modern intellectual life While previous work emphasizes the subversive dimensions of German Jewish thought or the inner antisemitism of the German philosophical tradition Rose shows convincingly the tremendous resources German philosophy offered contemporary Jews for thinking about the place of Jews in the wider polity Offering a fundamental reevaluation of seminal figures and key texts Rose emphasizes the productive encounter between Jewish intellectuals and German philosophy He brings to light both the complexity and the ambivalence of reflecting on Jewish identity and politics from within a German tradition that invested tremendous faith in the political efficacy of philosophical thought itself

Jews in France During World War II Renée Poznanski,2001 Now in English the authoritative work on ordinary Jews in France during World War II
