The Holy Longing The Search For A Christian Spirituality:

The Holy Longing Ronald Rolheiser, 1999 This book presents a readable deeply revealing explanation of God and the church that is befitting a world that more often than not doubts the credibility of both *The Holy Longing* Ronald Rolheiser, 2014-03-11 Ronald Rolheiser makes sense of what is frequently a misunderstood word spirituality In posing the question What is spirituality Father Rolheiser gets quickly to the heart of common difficulties with the subject and shows through compelling anecdotes and personal examples how to channel that restlessness that deep desire into a healthy spirituality This book is for those searching to understand what Christian spirituality means and how to apply it to their own lives Rolheiser explains the nonnegotiables the importance of community worship the imperatives surrounding social action the centrality of the Incarnation the sustenance of the spiritual life and how spirituality necessarily impacts every aspect of human experience At the core of this readable deeply revealing book is an explanation of God and the Church in a world that more often than not doubts the credibility of both *Sacred Fire* Ronald Rolheiser, 2014-03-11 When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic *The Holy Longing* With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In *Sacred Fire* Rolheiser's deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God **Leader's Guide for Primary Source Readings in Christian Morality** Diana Turney, 2008-02-04 Primary Source Readings in Christian Morality presents the living words of the Catholic Church and the wisdom of everyday people addressing the moral issues that impact our lives One goal of Primary Source Readings in

Christian Morality is to help students realize the connection between behavior and character. Additionally, the hope is that students will uncover that the road to authentic happiness and joy involves working on their relationship with God. Within this book, you will find writings from Pope Benedict XVI, The Second Vatican Council, Richard Gula, SS, Pope Paul VI, Ronald Rohlheiser, Erich Maria Remarque, Pope John Paul II, The United States Conference of Catholic Bishops, **Thirsting** Strahan Coleman, 2024-10-01. What if the longing we feel is a sign of God's longing for us? Thirsting is a deeply spiritual exploration of a life-changing truth: only when we learn to live in the ache of our thirst instead of running from it will we know the joy of receiving God in every part of our lives. We may be able to imagine God saving us, using us, and even loving us, but wanting us, pursuing us, longing for us. And yet, as spiritual director Strahan Coleman teaches, God's greatest desire is to commune with us in the depths of our souls. In *Thirsting*, Strahan eloquently guides us to acknowledge the God-given thirst within us so we can offer it to God in all its depth. Learn to open up our pain to God so we can experience Him in the midst of our aching. Allow God's desire for us to open up a whole new experience of communion. You thirst because you are thirsted for. Take a rich, vulnerable journey toward an inner knowing with God as you step over shame, receive His love, and drink Him deeply. The very journey you were made for. *Buying the Field* Sandra Marie Schneiders, 2013 **Sculptor Spirit** Leopoldo A. Sánchez M., 2019-02-05. Like the work of an artist who molds a lump of clay, the Spirit's sanctifying work lies in shaping people into the image of Christ. Avoiding either a Spirit-only or a Spirit-void theology, Leopoldo Sánchez carefully crafts a Spirit Christology which considers the role of God's Spirit in the life and mission of Jesus and leads to five distinct models of sanctification that can help Christians discern how the Spirit is at work in our lives. **Sex and the Spiritual Life** Patricia Cooney Hathaway, 2020-09-11. Winner of a third place award in the morality, ethics, Christology, Mariology, and redemption category from the Catholic Media Association. Are sexuality and spirituality opposed to each other? To anyone who has struggled to align their sexual desires with the call to be holy, these might seem in opposition, but they don't have to be. *Sex and the Spiritual Life* will help you understand that you can experience fulfillment through sexual integrity, a way of life that affirms the presence of God and the sacred in our sexual feelings and expressions. You'll hear from a selection of Catholic men and women, married clergy, religious, and single, whose stories will inspire and equip you to reclaim the joy and wholeness of sexual integrity. Addressing sexuality across a wide range of vocations, challenges, and experiences, each of the contributors to *Sex and the Spiritual Life* reflects upon living out the Church's teachings about human sexuality with integrity as a means to achieving spiritual maturity. All those who want to experience the benefits of sexual integrity will be inspired by their witness and benefit from their practical advice. Contributors include Patricia Cooney Hathaway, Timothy P. O'Malley, Deacon James Keating, Susan Muto, Eve Tushnet, Fr. John Riccardo, and Sr. Sarah Fairbanks O.P., as well as clinical specialists in addictions and marriage and family life. In this groundbreaking book, you will find insights into the following topics: the relationship between sexual integrity and spiritual growth; how the wounds of sexual abuse and addiction can be healed; the

link between sexual and spiritual intimacy in marriage how young adults can receive the formation they need to discover their vocations navigate the complexities of being single and live in community how spiritual friendship informs faithful living within the homosexual community the role of sexual desire in the lives of clergy and religious This is a much needed book for thoughtful Catholics to help them reclaim sexuality as a positive joyful component of the human experience and to present a path of healing and hope for those who need to chart a new course

Catholic Spirituality and Prayer in the Secular City Robert A. Burns, 2008 In the United States against the background of secularization the religious atmospheres have changed radically in the past forty years In 1965 President Lyndon Johnson signed the Immigration and Naturalization Act which opened America's doors to immigrants from all over the world As a result approximately one million immigrants legally enter the United States each year and bring with them religious traditions such as Islam Buddhism and Hinduism Catholic Spirituality and Prayer in the Secular City presents the role of religion and spirituality in a rapidly changing religious scenario Author Robert A Burns explores ways Catholics have been called upon to develop their spiritual lives in the most religiously pluralistic society that has ever existed Burns acknowledges the struggle that many people face when seeking a deeper spirituality and do not know where or how to begin and seeks to guide readers through the confusion and back to the meaning of spirituality

BOOK JACKET **Awakening Desire** Irene Alexander, 2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God's name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately

To Believe or Not Believe Rausch, Thomas P., SJ, 2024 Based on years of teaching this book examines the faith of young adults in a broad context not just of secular society or because of nonobservant parents but a society which fails to grasp the nature of truth or the transcendent a failure to grasp Catholicism's deep conviction of the compatibility of faith and reason and how we encounter the mystery of the divine and contemporary America's truncated vision of salvation While these young adults are not hostile and willing to listen a religious background is often missing This book addresses young people and those who work with them teachers pastors or parents In our post truth society many are formed by social media rather than an education in the humanities Disinformation is also a major problem poisoning our politics as is the secularity of a culture that has little concern for the religious traditions that once shaped it This is the world our young adults inhabit The concluding reflections offer some
