The Holy Spirit and Power Kilian McDonnell, 1975 *Charisms and Charismatic Renewal* Francis A. Sullivan

SJ, 2004-10-13 The rapid growth of the charismatic renewal in the Catholic Church has brought with it both controversy and confusion and it has raised a number of important theological questions Is it an authentic renewal movement Exactly what is the baptism of the Holy Spirit How should we understand the gift of tongues What is prophecy Does God really heal by supernatural means One by one Francis Sullivan takes up these controversial points in one of the most thorough theological investigations yet undertaken into the Catholic charismatic renewal Charisms and Charismatic Renewal is a scholarly analysis of this dynamic renewal movement for those who want to know more about its history its theological and scriptural bases its present impact on the church and its probable future course **A Mighty Current of Grace** Alan

Person and Power Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by

a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God s Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible s description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity

Catholic Charismatic Renewal And Life In The Spirit: Understanding the Holy Spirit, His Gifts, the Pentecost Experience and Building an Ever-Deepening Michael Attah Onuh,2019-09-05 The book Catholic Charismatic Renewal and Life in the Spirit is a must read for all Christians who desire the deeper understanding of the Holy Spirit and the Pentecostal experience It is a book that will help one to understand the work of the third Person of the Blessed Trinity God the Holy Spirit and to maintain an ever deepening relationship with Him It illuminatingly explains gifts in particular the gifts of prophecy and tongues which the author depicted as the prominent gifts of Pentecost He maintains that the Fresh Outpouring of Pentecost is a continuous event and explains the purpose of sending the Holy Spirit The author argues that the gift of tongues is for every baptised Christian but not mandatory and he elaborately explains the spiritual benefits of the gift of tongues as well as how to desire the gift of tongues and indeed other gifts The evidence of the author s knowledge of the bible was amazing as he underpins all his claims with precise quotations from the Holy Book This book is timely because it is only through the work of the Spirit that the tide of our contemporary society in which shameful sins are increasingly being applauded supported and even legally enthroned will be turned The understanding of the renewal leads to life in the Spirit which this book aims to foster I therefore encourage you not only to get this book but also to read it for the all important understanding and to deepen relationship with God
