Copyright Office, 1963 **Chinese in Australian Fiction, 1888-1988** , *Wonder Woman* Regina Luttrell, 2020-02-20 Wonder Woman was created in the early 1940s as a paragon of female empowerment and beauty and her near eighty year history has included seismic socio cultural changes In this book Joan Ormrod analyses key moments in the superheroine s career and views them through the prism of the female body This book explores how Wonder Woman s body has changed over the years as her mission has shifted from being an ambassador for peace and love to the greatest warrior in the DC transmedia universe as she s reflected increasing technological sophistication globalisation and women s changing roles and ambitions Wonder Woman s physical form Ormrod argues is both an articulation of female potential and attempts to constrain it Her body has always been an amalgamation of the feminine ideal in popular culture and wider socio cultural debate from Betty Grable to the 1960s mod girl to the Iron Maiden of the 1980s **Befriend and Betray** Alex Caine, 2009-02-17 The Hells Angels The Bandidos Asian triads Russian mobsters and corrupt cops Even the KKK Just part of a day s work for Alex Caine an undercover agent who has seen it all Alex Caine started life as a working class boy who always thought he d end up in a blue collar job But after a tour in Vietnam and a stretch in prison on marijuana possession charges he fell into the cloak and dagger world of a contracted agent or kite infiltrating criminal groups that cops across North America and around the globe were unable to penetrate themselves Thanks to his quick wittedness and his tough but unthreatening demeanor Caine could fit into whatever unsavory situation he found himself Over twenty five years his assignments ran the gamut from bad ass bikers to triad toughs When a job was over he d slip away to a new part of the continent or world where he would assume a new identity and then go back to work on another group of bad guys Told with page turning immediacy Befriend and Betray gives a candid look behind the scenes at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden And it offers an unvarnished account of the toll such a life takes one that often left Caine to wonder who he really was behind those decades of assumed identities Or whether justice was ever truly served Merchant Vessels of the United States , 1989 *Twentieth Century Crime & Mystery Writers* NA NA, 2015-12-25 *Mostly French* Alistair Rolls, 2009 This book which was inspired by a conference on plural conjugations of Frenchness La France au pluriel held in 2007 at the Universities of Technology Sydney and Newcastle focuses on the concept of national belonging as it pertains to detective fiction with particular emphasis on French and Australian detective fictions and the encounter and crossing over between them The objective is not only to use the concepts of French and Australian detective fiction productively via the analysis of French and Australian detective fiction novels but also to challenge and undermine the very notion of national detective fictions which

are so often assumed to be transparently meaningful The contributors to this volume focus variously on the following areas
comparative analysis of the genesis of French and Australian detective fiction translation of Australian and other novels into
French translation as a genre Frenchness as a stereotype its role in individual novels and its spectre in all detective fiction
and readings of individual French and Australian detective novels Overall this book aims to challenge assumptions about
French detective fiction its influence on other national fictions and its explicit and implicit presence in all detective fiction
