Varney,2015-07-09 Excerpt from The Story of Patriots Day Lexington and Concord April 19 1775 With Poems Brought Out on the First Observation of the Anniversary Holiday and the Forms in Which It Was Celebrated The bill abolishing the practice of appointing annually a day of fasting and prayer having passed the Massachusetts House of Representatives received the approving vote of the Senate on March 16 1894 and was on the same day signed by the governor Frederic T Greenhalge The bill also established the nineteenth day of April as an annual holiday The latter therefore is the legitimate successor of Fast Day which had come to be observed chiefly by its desecration The first proclamation of the new holiday was issued on the eleventh day of April 1894 and gave it most appropriately the name Patriots Day Neither the statute nor the proclamation prescribed any definite form of celebration consequently there is ample scope and freedom for the preferences of communities and organizations in its observance The proclamation was as follows By an act of the Legislature duly approved the nineteenth day of April has been made a legal holiday About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Single Blow** Phillip S. Greenwalt, Robert Orrison, 2017-07-19 A concise history of the shot heard round the world and the dramatic day that began America's war for independence Includes maps and photos When shots were fired at Lexington and Concord on a spring day in 1775 few if any fully grasped the impact they would ultimately have on the world This concise book offers not only a guide to the historical sites involved but a lively readable history of the events a culmination of years of unrest between those loyal to the British monarchy and those advocating for more autonomy and dreaming of independence from Great Britain On the morning of April 19 Gen Thomas Gage sent out a force of British soldiers under the command of Lt Col Francis Smith to confiscate recapture and destroy the military supplies gathered by the colonists and believed to be stored in the town of Concord Due to the alacrity of men such as Dr Joseph Warren Paul Revere and William Dawes utilizing a network of signals and outriders the countryside was well aware of the approaching British setting the stage for the day's events From two historians this is an outstanding introduction to a momentous battle and the events that led up to it *The day of Concord and Lexington, the nineteenth...* Allen French, 1925 *Lexington And Concord* Arthur B Tourtellot, 2000-05-02 In a minute by minute account this popular book gives a vivid picture of what actually happened on April 19 1775 Tourtellot's book is the best account we have of the day of Lexington and Concord The actions of each individual who played a conspicuous part in the day's work are minutely traced but Mr Tourtellot never loses the main thread of his narrative and the wealth of detail he has included gives substance and color to an exciting story J C Miller New York Herald Tribune Book Review Tourtellot does not let his 19th of April float up in the spring air unconnected with a past or a future He has built in very skillfully the story of the months before that day and then sends its echoes rolling on through time and into distant states and nations No other book generally available performs an even remotely comparable job Makes full use of old material adds a good deal that has come to light in the intervening years and standing firmly on its own base presents magnificently for the general reader and the specialist this immortal opening chapter of our beginnings as a nation Bruce Lancaster The Saturday Review The result of thoughtful examination of the evidence and clear writing Walter Muir Whitehill New England Quarterly An absorbing and vital history containing much newly published information about a crucial week in the history of the United States J M Goodsell Christian Science Monitor
