Marc Sigoloff

The Day Of The Dolphin:

The Day of the Dolphin Robert Merle, 1969 The importance of communication between dolphins and humans becomes apparent when World War III becomes a distinct possibility *The Day of the Dolphin*, 2021 *New York Magazine*, 1973-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Dolphin in the Mirror* Diana Reiss, 2011 A leading authority on dolphin intelligence shares scientific information about dolphin creativity emotions and communication abilities while advocating for stronger dolphin protection laws *The Dolphin Way* Margaret Gillrie-Fraser, 2011-08 Representatives from all of the world's dolphin pods are on their way to their Dolphin Olympics For Mattie and his friends it is their first time attending the famous event and their excitement is infectious Challenges for the main character Mattie are quick to find him While the thrill of his exploits will keep the readers turning pages learning about dolphins marine life and so much more is made easy and fun All of the facts have been researched with an eye on the educational curriculum that every child should know The reader is allowed to learn as a secondary result but it is the story that will keep them from wanting to put the book down I think your stories are SPECTACULAR because I think you teach people around the world about dolphins and about friendship Zaynab from 20 B When my class read *The Dolphin Way* I have never seen such enthusiasm or passion for their reading My class made t shirts bags hats etc to support the cause of saving the dolphins It was one of the most fantastic experiences of my teaching career Chris Colderley Pauline Johnson P S A wonderful story about honesty friendship loyalty mutual respect and understanding *The Dolphin Way* cleverly illustrates how important these elements are to building and maintaining relationships with others Young dolphin Mattie is absolutely captivating as a character and draws the reader into his life and his adventures Be prepared to be amazed at the parallels between dolphins and humans A must read for all young readers Joanne Walmsley Shepherd Newspaper in Education Business Development Co ordinator *The Hamilton Spectator* *The Films of the Seventies* Marc Sigoloff, 2000-09-01 This is a comprehensive filmography of American British and Canadian feature films released during the decade of the 1970s Nearly 1 000 films are listed alphabetically each with cast including the characters they played and credits release date a five star rating system production company length the Motion Picture Association of America rating of G PG R or X various award winners are indicated with symbols and a brief summary of major plot details and characters and an evaluation of its virtues or flaws The box office rentals of each film achieving 4 million or more are also indicated **Sharon Tate** Ed Sanders, 2016-01-05 Ed Sanders gave readers their clearest insight yet into the disturbing world of Charles Manson and his followers when he published *The Family* in 1971 Continuing that journalistic tradition Sanders presents the most thorough

look ever into the heartbreaking story of Sharon Tate the iconic actress who found love fame and ultimately tragedy during her all too brief life Sharon Tate A Life traces Sharon s path from beauty queen to budding young actress her early love affairs her romance with and marriage to director Roman Polanski and the excitement of the glamorous life she had always sought all set against the background of the turbulent 1960s This sympathetic account tells the powerful story of her determined rise through the ranks of Hollywood and to the brink of stardom before her name became forever linked with the shocking murder spree that took her life In 1969 the Polanski house was targeted by the followers of cultist Charles Manson Why the Manson clan focused its gaze on Sharon remains unclear but the world was soon shocked to its core as it learned of the brutal murders of a pregnant Sharon Tate and her friends at her idyllic home in Los Angeles Sanders once again examines this horrific crime and its aftermath expounding on what may have led the killers to that particular house on that particular evening Sharon Tate takes readers on a sometimes joyous yet inevitably heart wrenching tour of the 60s as seen through the eyes of someone who lived it survived it and remembers it all too well Brilliant illustrations by noted artist Rick Veitch lend character to this riveting narrative of the life and times of a beloved actress whose image and whose fate still haunt us to this day

[The Dolphin's Tooth](#) Bruce Kirkby,2007-02-20 For fifteen years Kirkby navigated an uncertain and uncommon path embarking on some of the most challenging expeditions the world has to offer Whether it s gun fights and crocodile attacks while running Africa s Blue Nile Gorge or rescuing a fallen sherpa on Mount Everest Kirkby shares the excitement doubts and insights of a life lived on the edge

The Family Ed Sanders,2023-04-11 The first complete authoritative account of the career of Charles Manson A terrifying book New York Times Book Review In August of 1969 during two bloody evenings of paranoid psychedelic savagery Charles Manson and his dystopic communal family helped to wreck the dreams of the Love Generation At least nine people were murdered among them Sharon Tate the young beautiful pregnant actress and wife of Roman Polanski Ed Sanders s unnerving and detailed look at the horror dealt by Manson and his followers is a classic of the true crime genre The Family was originally published in 1971 and remains the most meticulously researched account of the most notorious murders of the 1960s br Using firsthand accounts from some of the family s infamous members including the wizard himself Sanders examines not only the origins and legacy of Manson and his family but also the mysteries that persist Completely revised and updated this edition features 25 harrowing black and white photos from the investigation One of the best researched best written thoroughly constructed and eminently significant books of our times A masterpiece Boston Phoenix

Mike Nichols Mark Harris,2022-02-01 One of The Hollywood Reporter s 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People s top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of Pictures at a Revolution and Five Came Back Mike Nichols burst onto the

scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with Who's Afraid of Virginia Woolf and followed it with The Graduate which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer's art
