The Day Of The Heart

Jerome Kern

The Day Of The Heart:

The Day My Heart Cried James Banks, 2020-11-20 The Day My Heart Cried goes into relationships with parents and how to be effective loving and firm in the life of a child It also reveals the power of teamwork with community members to build bridges of love that can only strengthen its citizens Also information is given for marriages and how to avoid agreeing to irreconcilable differences We gain power by having Godly relationships and learning to forgive in lieu of holding grudges for a long time We should learn to make sacrifices to strengthen our walk of integrity before our final change comes on earth Moreover we should learn to let go and give our problem to our King Besides he only needs one move to change our trajectory He did it for my Father and one day he will do it for us too

The Day My Heart Turned Blue Karla J Noland, 2021-11-27 The Day My Heart Turned Blue Healing After the Loss of My Mother After witnessing her mother's death Karla J Noland struggled with the uncertainty of what life would be like without her Then while packing up her mother's belongings Karla uncovered a collection of journal writings and prayers that changed her life forever The Day My Heart Turned Blue Healing After the Loss of My Mother was written for people reeling from the death of a parent and needing encouragement and direction to help them move forward There are three parts to the book Part 1 Picking up the Pieces describes Karla's experience as she witnessed her mother take her last breath and the phases of grief she went through while being the executrix of her mother's estate Part 2 In Her Own Words emphasizes the power of journaling and displays the handwritten journal entries of Karla's mother Eutrice E James This section describes how the journals gave Karla solace in her grief and allowed her to see her mother as a more complex person Part 3 Give Yourself Permission outlines Karla's healing process and the creation of her coaching business Reveal Heal Thrive LLC It is also a call to action for readers to begin their own healing process Karla encourages others to journal their life experiences in order to uncover their hidden pain and heal from it so they can live life to the fullest The Day My Heart Turned Blue tells the story of how Karla found the strength to turn her pain into purpose after losing her mother She hopes her readers will walk away encouraged and give themselves permission to discover their own strength and walk in it

Bereavement Companion Journal for The Day My Heart Turned Blue Karla J Noland, 2021-12-05 The Day My Heart Turned Blue Bereavement Companion Journal The Day My Heart Turned Blue Bereavement Companion Journal is meant to complement Karla J Noland's book The Day My Heart Turned Blue Healing After the Loss of My Mother However it can also be used on its own to guide you on your bereavement journey The purpose of the companion journal is to guide the bereaved through the process of healing reflecting and honoring their parent so they can move forward The journal is composed of three parts Part 1 Embracing Your Emotions This section will walk you through a cathartic experience of identifying and releasing the range of powerful emotions triggered by the loss of a parent Grief cannot be stifled or rushed You need to allow yourself to experience all of the emotions in order to get to the other side And you get to decide what the other side of grief looks like for you Part 2 Self Care for a Grieving Heart

This section outlines the four steps of bereavement self care that can help you heal from a wounded heart Grief can have an unshakeable hold on your heart when you lose a loved one Mourning ensues because your heart is devastated and you realize that what was no longer is Fortunately with proper care a wounded heart can heal Part 3 Honoring your Loved One This section will coach you through the process of moving forward by celebrating your loved one s heavenly birthday getting through the holiday season and turning your pain into purpose You can view life from a new perspective as you heal one that is full of hope and inspiration In between each chapter of the companion journal you will find self check ins that prompt you to perform emotional checkups on yourself The check ins are designed to provide you with valuable personal insight into your current emotional state and allow you to reflect on the progress you ve made Remember that you are the author of your life Your journal should be unapologetically raw and honest no matter how difficult the pain is right now When you pour your heart out on paper you shine a light on the darkest emotions you may experience due to your grief You might even consider turning this journal into a memoir documenting your healing journey after your parent s death Some days it may feel like you re climbing a relentless mountain with an enormous amount of weight on your back Be encouraged Your life may feel like a mess but this so called mess will give way to an inspirational message for you to share to encourage others May the therapeutic power of journaling in *The Day My Heart Turned Blue Bereavement Companion Journal* allow you to reveal the areas in your life where you need to heal the most so you can move from surviving grief to thriving in life
