The Day Trader Lewis Borsellino,1999-04-14 The S P futures pit is the ultimate arena for traders It is a place where trading titans make split second decisions on huge amounts of money and fortunes appear and vanish with the blink of an eye Successful day traders are brilliant aggressive and lucky Lewis J Borsellino is all three And now he is telling his story The

nation's top S P futures trader Borsellino takes you inside the world of the day trader. Chronicling Borsellino's incredible run on the floor of the Chicago Mercantile Exchange, *The Day Trader* offers a rare behind-the-scenes look at his everyday strategies and tactics. Raised to be a fierce and fearless competitor, Borsellino felt at home the first day he walked into the chaos and excitement of the Merc. In *The Day Trader*, he offers both a compelling story as well as an inside look at day trading and the S P market. Borsellino outlines exactly what contributed to his unparalleled success: a rare blend of discipline, drive, intelligence, and an uncanny ability to read and interpret the market. *The Day Trader* is also a candid memoir of a second-generation Italian American who learned tough life lessons from his father. The senior statesman of the S P pit, Borsellino offers vivid firsthand accounts of the unique dynamics of the trading floor, the fortunes won and lost in the crash of 1987, the FBI investigation that rocked the futures trading industry, and the tense political battles between Merc titans Leo Melamed and Jack Sandner. He also shares war stories from the floor, many involving top traders such as Richard Dennis and George Soros. Finally, Borsellino chronicles the latest phase of his career as he moves beyond the beloved trading pit to the challenges and opportunities of the electronic trading arena. More than the success story of one of the nation's most respected traders, *The Day Trader* offers practical insights into the futures markets, pit trading, market psychology, fundamental and technical analysis, and risk. It is a rare opportunity to see inside the mind of one of today's most brilliant traders.

LEWIS J BORSELLINO is the top S P futures trader in the United States with a career that has spanned an unprecedented 18 years. His long-term success puts him into the trading pantheon that features such luminaries as Paul Tudor Jones, Victor Niederhoffer, and bond trader Tom Baldwin. Borsellino is a frequent contributing commentator on CNN and CNBC, where he is regarded as the biggest and best trader in S P's.
