## **The Days Of The Generals:**

Days of the Generals Hilton Hamann, 2012-03-30 What really happened during South Africa's military involvement in Angola Did the military leaders always see eye to eye with the politicians and with each other Was South Africa responsible for the death of Mozambican President Samora Machel What was the extent of South Africa's nuclear programme How did South Africa's military machine deal with the end of apartheid Based on interviews with the former generals of the South African Defence Force Days of the Generals addresses these and many other fascinating questions The book looks in detail at South Africa's intervention in Angola Namibia and Mozambique It examines the armed struggle of the ANC and the state's war against the liberation movements It investigates chemical and biological warfare the third force and other top secret issues For the first time the generals Magnus Malan Constand Viljoen Jannie Geldenhuys Georg Meiring Hein du Toit and Chris Thirion have opened up and given their account of events in southern Africa from the 1970s to the present Theirs is an explosive story giving behind the scenes information about covert operations secret meetings strategic alliances and full scale war This is essential reading for anyone interested in southern African politics and military history The author Hilton Hamann entered the South African Defence Force as a conscript in 1975 and was stationed in Angola He subsequently became the Sunday Times's military correspondent and wrote for a number of well known international magazines and newspapers such as Soldier of Fortune In this role he travelled extensively with the SADF often accompanying them into battle He currently runs a news syndication company *Lamentation for the Nation, Judith and the General and Fifteen Days with Cephas* Mary Heyn, 2018-10-15 Lamentation for the Nation is the Old Testament's book of Lamentations reworded in poetry and told in a language that may be applied to the USA today Judith and the General also in poetry is the story of Old Testament Judith a young widow who with great courage achieved what the army of Israel could not by enticing the Assyrian enemy general and killing him causing an unexpected victory for her people Fifteen Days with Cephas details what may have occurred when the apostle Paul spent fifteen days with the apostle Peter as mentioned in Galatians 1:18 *What I Learned from Studying the General Epistles for 30 Days* Kevin Tate, 2025-02-13 This book started as an experiment to see how much I could learn from my study of Jude in thirty days and then I decided to do all the general epistles One of the major points of this book is the importance of using just your Bible to study God's word I did not use any other resources while I was authoring this book and I was able to feel a remarkably close connection with God Another thing that I wanted to focus on is giving a similar description of what a verse means because that is the most important part I do not want to leave someone asking more questions when they are looking for an answer Reading the Bible needs to be a time of revelation it is a time of learning God never seeks to leave us confused because he knows everything He wants us all to learn about him so that we may walk in his Spirit God wants all of us to be in his kingdom with him and I hope that this book can help you grow closer to God **The General Baptist Repository and Missionary Observer**, 1845 **Mega General Knowledge Quiz**
