The Dead Sea Scrolls and the Personages of Earliest Christianity Arthur E. Palumbo, 2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects Scroll allusions to personages and events in the period from 37 BC to AD 71 and suggests a new view on how and why the Romans crucified Jesus Part I of this study is an attempt to deal more realistically with the evidence of the Dead Sea Scrolls very few scholars have ever examined the period from 37 BC to AD 71 as the possible setting for the scrolls Nevertheless everyone would admit the existence of scroll allusions that only have real relevance in this time period Part II takes up Jesus and the beginnings of Christianity

The Jewish Apocalyptic Heritage in Early Christianity, Volume 4 James C. VanderKam, William Adler, 1996-12-07 The question of apocalyptic influence on Jesus and early Christianity is again strongly contested The issues connected with this question include terminology genre historical reconstruction sectarian self definition and many others This book provides a fresh assessment of the nature and significance of early Christian appropriation of Jewish apocalyptic material

Text, Thought, and Practice in Qumran and Early Christianity Ruth Clements, Daniel R. Schwartz, 2010-01-01 The 13 papers comprising this volume represent the fruits of the first Orion Center Symposium devoted to the comparison of the Dead Sea and early Christian texts The authors reject the older paradigm which configured the similarities between Qumran and early Christian literature as evidence of influence from one upon the other They raise fresh methodological possibilities by asking how insights from each of these two corpora illuminate the other and by considering them as parallel evidence for broader currents of Second Temple Judaism Topics addressed include specific exegetical and legal comparisons prophecy demonology and messianism the development of canon and the rise of commentary and possible connections between the

Gospel of John and the Dead Sea Scrolls *Sacrifice, Cult, and Atonement in Early Judaism and Christianity* Henrietta L. Wiley, Christian A. Eberhart, 2017-09-28 Critical and creative studies that offer fresh perspectives on ancient ideas and practices The contributions to this volume deal in various ways with the cult at the Jerusalem Temple that epitomized the religious cultural and socio political identity of Judaism for many centuries Some essays examine ancient constitutive practices and concepts such as purification rituals sacrifices atonement or sacred authorities at the temple with the goal of interpreting their meanings for modern readers Other essays explore alternatives to ancient cultic meaning and practice Essays critique established traditions attempt to renegotiate them or use metaphor and spiritualization to expand the potential of these phenomena to serve as terminological and ideological resources Thus they examine and affirm the continuing relevance of ancient Jewish cultic notions long after the destruction of the Second Temple in 70 CE An international group of scholars representing different fields and diverse religious backgrounds A thorough examination of traditions as through the lens of contemporaneous interpretive traditions such as Jewish prophecy the Dead Sea Scrolls and Early Christian literature Examination of topics such as purification sacrifice and atonement and the depiction and development of sacred authority throughout the Bible **The Christological Witness Function of the Old Testament Characters in the Gospel of John** Sanghee M Ahn, 2014-06-01 This book investigates the narrative function of the Old Testament characters in the Gospel of John The fascinating thesis is that the Hebrew characters in John s narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John s indebtedness for its formation of his Christology A compelling argument ensues which informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel COMMENDATION Dr Ahn s thorough and careful study represents a solid contribution from which many will benefit All serious interpreters of the Johannine witness will want to refer to this work Mark A Seifrid Southern Baptist Theological Seminary USA *Solving the Mysteries of the Dead Sea Scrolls* Edward M. Cook, 1994 The story of the Dead Sea Scrolls reads like a whodunit novel full of intrigue and mystery The intrigue lies in the internecine struggles among scholars entrusted with their study and safekeeping They mystery lies in just how much they can tell us about biblical times and life in the early Christian church From 1947 when the first scrolls were discovered in the caves around Qumran until the mid eighties when the academic gridlock began to break up they have left us with many more questions than answers Who wrote the scrolls What connection do they have with Jewish sects or early Christianity And what light do they shed on biblical times and the Bible itself With the rediscovery of the scrolls in recent years their significance to biblical studies is once again in the spotlight This book provides to students and lay Christians an overview of the scrolls controversial history and the various theories scholars hold about them It is an excellent readable introduction to who s who and what s what in the study of the Dead Sea Scrolls **The History of the Jewish People in the Age of Jesus Christ: Volume 3.ii and Index** Emil Schürer, Fergus Millar, Geza

Vermes, 2014-01-30 Emil Schürer's *Geschichte des jüdischen Volkes im Zeitalter Jesu Christi* originally published in German between 1874 and 1909 and in English between 1885 and 1891 is a critical presentation of Jewish history institutions and literature from 175 B C to A D 135 It has rendered invaluable services to scholars for nearly a century The present work offers a fresh translation and a revision of the entire subject matter The bibliographies have been rejuvenated and supplemented the sources are presented according to the latest scholarly editions and all the new archaeological epigraphical numismatic and literary evidence including the Dead Sea Scrolls and the Bar Kokhba documents has been introduced into the survey Account has also been taken of the progress in historical research both in the classical and Jewish fields This work reminds students of the profound debt owed to nineteenth century learning setting it within a wider framework of contemporary knowledge and provides a foundation on which future historians of Judaism in the age of Jesus may build

Not My People David Ian Starling, 2011 After a survey of recent approaches to the study of Paul's use of Scripture the four main chapters explore the use of Isa 54:1 in Gal 4:27 the catena of scriptural texts in 2 Cor 6:16-18 Hos 1:10 and 2:23 in Rom 9:25-26 and Isa 57:19 in Eph 2:17 In each case the ancient writer seeks to place the letter in its historical context and rhetorical situation identify the significance of any conflation or modifications that have taken place in the citation process analyse the citation's function within its immediate context compare its use by Paul with the various ways in which the text is interpreted and appropriated by other Second Temple writers and evaluate the main proposals offered as explanations for the riddle posed by the citation That done he offers his own account of the hermeneutic at work based on an analysis of the explicit and implicit hermeneutical pointers through which the letter guides its readers in their appropriation of Scripture This book compares the hermeneutical approaches of the four letters and draws conclusions concerning the interplay of continuity and discontinuity between Scripture and gospel in Paul's letters and the relationship between grace and Gentile inclusion in his theology
