The Death Disciple:

Death's Disciple Emma L. Adams, 2023-05-30 Seven years ago Captain Yala Palathar was a hero She and her squad of close knit dragon riding warriors were Laria s elite fighting for their nation alongside the monarch and his magic wielding Disciples Seizing control of an unmanned island should have been a simple mission but Yala s squad was little prepared for the horror and tragedy that awaited Instead of triumph all Yala and her allies found was death Years on Yala lives in seclusion in the deep jungle ignoring the rumours of unrest in the capital following the end of the war She little expects assassins to find her hideout nor does she anticipate the mission that ended her career to have given rise to rumours that see her targeted by mercenaries vying to claim a price on her head With the other survivors from her squad being picked off one by one she has little choice but to return to the capital in the hopes of finding answers Whether the truth lies with the Disciples of the Flame who refused to believe her stories of the monstrous beasts that haunted the island or with the long dead king who sent her squad to their doom one thing is clear Yala must finish the battle she started all those years ago even if it brings her face to face with the god of death Himself *Death s Disciple* is the first in a dark epic fantasy quartet featuring giant war dragons political intrigue flawed heroes and nail biting action For fans of character driven fantasy by authors such as Anna Stephens Jen Williams and Tamsyn Muir

The Death Disciple Robin Moore, Gerald G. Griffin, 1977 *Death's Disciples* Dustin L. Herriman, 2021-03-24 *Death s Disciples* By Dustin L Herriman A young man named Zakul from a long misunderstood tribe leaves his home to attend a festival in the town of Dasum when the town comes under siege by an invading army Follow along as this unlikely survivor relates his harrowing experience and live his desperate attempts to cling to life and safety Review The world Herriman s created ends up feeling both real and fascinatingly unique the characters well rounded and three dimensional and the magical and supernatural aspects of it feel plausible with limits constraints and possibilities that do a lot to help shape the plot Catherine Langrehr for IndieReader

[Dictionary of Jesus and the Gospels](#) Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

The Testimony of the Beloved Disciple Richard Bauckham, 2007-11-01 How do historical and literary details contribute to a coherent theological witness to Jesus in the Gospel of John A leading British evangelical New Testament scholar answers that question with studies on themes from messianism to monotheism symbolic actions from foot washing to fish catching literary contexts from Qumran to the Hellenistic historians and figures from Nicodemus to the beloved disciple to Papias Originally published in various journals and collections these essays are now available for the first time in one affordable volume with a substantial new introduction that ties them all together A must have for serious students of the Fourth Gospel

Peter and the Beloved Disciple Kevin Quast, 1989-10-01 The common supposition that the Fourth Gospel presents a rivalry between Peter and the Beloved Disciple in which Peter is subordinated to the hero of the Johannine Community is here subjected to fresh scrutiny After establishing

working hypotheses regarding the Johannine Community and the function of representative figures in the Fourth Gospel the author first examines the function of Peter independently of the Beloved Disciple Here he is the exemplary leader of the Twelve In those passages where the two characters are juxtaposed it is evident that the Beloved Disciple is not inordinately exalted above Peter who in fact enjoys a comparable status Peter and the Beloved Disciple have complementary roles to play in relation to Jesus and his unfolding hour John 20 shows the Beloved Disciple as the example of a true believing disciple of Jesus while concerned to give appropriate respect and support to the Apostolic stream of traditions associated with Peter The Gospel appendix ch 21 is concerned to hold together both sorts of traditions and allegiances Finally the author shows how the Gospel as a whole works coherently to encourage a wider view of Christian intercommunity unity after the death of the Beloved Disciple

Women in John's Gospel Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation
