The Death Of A Nation:

Death of a Nation Joseph L. Kyle, 2015-04-28 This book presents some very raw facts about the negative aspects of racism and the devastating effects it has on individuals municipalities States the Nation and indeed the world It covers a ten year period in the authors life presented autobiographically from 1940 to 1950 The story is based primarily on historical events as reported in the ex Black weekly newspaper The Pittsburgh Courier The news articles are presented as parts of fictionalized dialogue between the author his young peers and older adult advisors Most of the fictionalized accounts have some bases in truth but some did not occur in the sequence or to individuals as presented Names of individuals reported in news media have not been changed nor have the names of family members and teachers Names of townspeople have been changed although a real person existed for that character The primary goal of the book is to present true facts about the history of the disease based on a false premise of race that has caused so much suffering ignorance and despair over centuries in the hope that we will stop perpetuating it and let it die the ignoble death it deserves

The Mystifications of a Nation Vladimír Macura, 2010-11-18 A keen observer of culture Czech writer Vladimír Macura 1945-99 devoted a lifetime to illuminating the myths that defined his nation The Mystifications of a Nation the first book length translation of Macura's work in English offers essays deftly analyzing a variety of cultural phenomena that originate Macura argues in the big bang of the nineteenth century Czech National Revival with its celebration of a uniquely Czech identity In reflections on two centuries of Czech history he ponders the symbolism in daily life Bridges for example once a force of civilization connecting diverse peoples became a sign of destruction in World War I Turning to the Soviet and post Soviet eras Macura probes a range of richly symbolic practices from the naming of the Prague metro system to the mass gymnastic displays of the Communist period to post Velvet Revolution preoccupations with the national anthem In The Potato Bug he muses on one of the stranger moments in the Cold War the claim that the United States was deliberately dropping insects from airplanes to wreak havoc on the crops of Czechoslovakia While attending to the distinctively Czech elements of such phenomena Macura reveals the larger patterns of Soviet brand socialism We were its cocreators he declares and its analysis touches us as a scalpel turned on its own body Writing with erudition irony and wit Macura turns the scalpel on the authoritarian state around him demythologizing its mythology

eugenics discourses to advance their own aims and ambitions whilst providing a comparative analysis of the emergence and development of eugenics in East Central Europe more generally Complete with a glossary of terms a list of all eugenic societies and journals from these countries as well as a comprehensive bibliography The History of East Central European Eugenics 1900 1945 is a pivotal reference work for students researchers and academics interested in East Central Europe and the history of science and national identity in the 20th century *Nietzsche and the Politics of Reaction* Matthew McManus,2023-01-01 This book is intended as a major interdisciplinary contribution to the study of Nietzsche s thought in particular and the political right more generally Historically the assessment of Nietzsche s politics has ranged from denouncing him as a forerunner to Nazism to claiming he effectively did not have articulated political convictions During the latter half of the 20th century he surprisingly became a major theoretical influence on a variety of post structuralist radical critics who saw in his perspectivism and genealogy of power useful tools to critique existent structures of domination This collection of essays reframes the debate by looking at Nietzsche s constructive political project defending aristocratic values from the levelling influence of the herd and its liberal socialist and democratic spokesmen The essays will also explore how this defense of aristocratic values continues to have an influence on the political right inspiring moderates like Jordan Peterson and far right authors and activists like Aleksandr Dugin and Steve Bannon **Birth of a Nation** Gerard Loughran,2010-02-12 Launched in Nairobi in 1960 three years before the birth of independent Kenya the Nation group of newspapers grew up sharing the struggles of an infant nation suffering the pain of its failures and rejoicing in its successes Marking its 50th anniversary in 2010 the Nation looks back on its performance as the standard bearer for journalistic integrity and how far it fell short or supported the loyalty demanded by its founding slogan The Truth shall make you free The Aga Khan was still a student at Harvard University when he decided that an honest and independent newspaper would be a crucial contribution to East Africa s peaceful transition to democracy The Sunday Nation and Daily Nation were launched in 1960 when independence for Kenya was not far over the horizon They quickly established a reputation for honesty and fair mindedness while shocking the colonial and settler establishment by calling for the release of the man who could become the nation s first prime minister Jomo Kenyatta and early negotiations for Uhuru The history of the Nation papers and that of Kenya are closely intertwined in the heat of its printing presses and philosophical struggles that story is told here from committed beginnings to its position today as East Africa s leading newspaper group *The Birth of a Nation* Robert Lang,1994 The birth of a nation follows the lives of two white families divided by and enduring the American Civil War and includes elaborate cameos of historical events such as the assassination of Abraham Lincoln *Token of a Nation's Sorrow, Addresses in the Congress of the United States, and Funeral Solemnities on the Death of John Quincy Adams* ,1848 **The Death of a Nation** Michael Bliss,2001 *Token of a Nation's Sorrow* United States.
