Robert Mulholland Jr.,2006-01-13 As you journey deeper in the Christian pilgrimage you come to realize that the Christian life is more than merely replicating particular spiritual disciplines or practices You begin to understand that at the core of Christian faith is the transformation of your very identity M Robert Mulholland Jr exposes the false selves that you may be tempted to hide behind and helps you to instead discover the true self that comes from being hidden with Christ in God If the goal of the Christian journey is Christlikeness then you must reckon with the unhealthy ways that you root your sense of being in things other than God Along the way you will discover a growing sense of intimacy and abandonment to God Not only will you encounter the joy of discovering your own self you will also find a greater love for others and compassion for the world

**Spiritual Direction** Liz Hoare,2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction *How Then Shall We Guide?* Jimmy Boon-Chai Tan,2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought

into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis *A Book to Change Your Life* ; Dmin Sandidge, 2009-03 What Others Say about This Book Dr Sandidge has written a very comprehensive book on leadership Every pastor and church leader can find many tidbits of information that will improve their leadership skills This book will provide help in building a ministry team approach There are many helpful ideas for the church leader to develop other leaders for the church and especially Bible teachers A helpful and insightful book Dr Frank Schmitt Professor of Church Ministries Liberty Baptist Theological Seminary and Graduate School 1971 University Blvd Lynchburg VA 24502 Dr Oneal Sandidge is not only a perceptive author but he has also lived and worked in the field of Christian Education at numerous institutions of higher education I have observed Oneal professionally as a teacher and lecturer for many years He has character insight and experience that qualify him to share concepts of the Christian ministry in general and Christian education in particular that will be life changing for his readers Dr James B Keiller Vice President Dean for Academic Affairs Beulah Heights University Atlanta Georgia Dr Oneal Sandidge has written a great book for training pastors church leaders and ministry leaders for improving church ministry This powerful book deals specifically with church ministry Dr Sandidge has used his exceptional skills from serving as Director of Christian Education college professor and ministerial experiences to suggest ways for rethinking ministry This book will help pastors church officials ministry leaders and those who teach church leadership Any reader would benefit from this book Bishop Alfred A Owens Jr Senior Pastor of Greater Mt Calvary Holy Church and Professor Howard University School of Divinity Washington DC *Undefended* Daniel Bush, 2017-02-08 Loneliness fear vulnerability conflict pain these aren't experiences we typically seek out And yet we all encounter them during our lives Do you embrace these times or do you raise your defenses determined not to get hurt What if it's possible to see God more clearly in the midst of these trials In *Undefended* Daniel Bush shows readers how to approach life's difficulties from a gospel centered and grace driven perspective arguing that the experiences we avoid can actually bring us nearer to Christ Drawing on examples from the Bible history popular culture and the author's own life *Undefended* seeks to personally acquaint readers with an experience of the inner heart where true discovery of God takes place Bush writes out of a deep passion for helping others find spiritual awakening stemming from over 15 years in pastoral and counseling ministries He guides readers through ten different experiences that can show us the authentic heart of God if we approach him undefended
