"...For example, advanced manufacturing technologies such as computer-aided design can increase job variety, autonomy and interdependence, and improve work design (Wall, Corbett, Clegg, Paul & Martin, 1991). Ultimately, therefore, it is rarely the technology per se that determines the nature of work design within organizations (Liker, Haddad & Karim, 1999; Wood, 1982) ..."

Section: Technology  mentioning confidence: 99%

"...For example, case studies show that, when managers perceive operational uncertainty to be low, technology is often implemented in a way that standardizes tasks, deskills work and reduces job

The Degradation Of Work Skill Deskilling And The Labour Process

Stephen Wood

The Degradation Of Work Skill Deskilling And The Labour Process:

The Degradation of Work? Stephen Wood, 2024-09-02 Originally published in 1982 and now reissued with a new Preface by Stephen Wood the contributors of this book discuss the issues surrounding the organization of labour They use insights from industrial sociology historical research and Marxist Feminist debates In particular they stress that work organization cannot be seen simply as a reflection of the strategy of an omniscient management any examination of it must involve product and labour markets technology trade unionism and above all the way in which production systems are jointly created out of the interrelationship between management and workforces The Degradation of Work asks if there has been a general de skilling and routinization of jobs and if skilled jobs are really any different from semi skilled or unskilled ones *The Degradation of Work? Skill, Deskilling and the Labour Process* Stephen Wood, 1982

The Degradation of Work? Stephen Wood, 1982

The SAGE Handbook of the Sociology of Work and Employment Stephen Edgell, Heidi Gottfried, Edward Granter, 2015-12-03 The SAGE Handbook of the Sociology of Work and Employment is a landmark collection of original contributions by leading specialists from around the world The coverage is both comprehensive and comparative in terms of time and space and each state of the art chapter provides a critical review of the literature combined with some thoughts on the direction of research This authoritative text is structured around six core themes Historical Context and Social Divisions The Experience of Work The Organization of Work Nonstandard Work and Employment Work and Life beyond Employment Globalization and the Future of Work Globally the contours of work and employment are changing dramatically This handbook helps academics and practitioners make sense of the impact of these changes on individuals groups organizations and societies Written in an accessible style with a helpful introduction the retrospective and prospective nature of this volume will be an essential resource for students teachers and policy makers across a range of fields from business and management to sociology and organization studies

The Sociology of Work Stephen Edgell, 2011-12-30 A highly readable and approachable account of the sociology of work a first rate introductory text that is sure to become essential reading for students teachers and researchers Jason Hughes Brunel University An excellent text Its comparative and historical sweep is particularly welcome and the analysis provided is thoughtful and well grounded John Eldridge University of Glasgow An invaluable and up to date text for students and researchers Detailed and wide ranging in its scope it is an excellent source of materials combined with a thought provoking and challenging set of arguments Huw Beynon Cardiff University Stephen Edgell s book charts the rise of work and explores all aspects of work including paid and unpaid standard and non standard and unemployment New material has been incorporated covering the theories and practices of globalization interactive service work economic crisis technological and organizational change and trade unions Drawing on classic and contemporary theorists the book Covers key issues regarding paid industrial and service sector work alienation skill post industrial society network enterprises flexibility Fordism neo Fordism post Fordism McDonaldization emotional

labour destandardization and the social impact of unemployment Discusses key issues regarding non paid work domestic work as work the impact of technology symmetrical family thesis the impact of feminism and globalization Provides student friendly pedagogy suggestions for further reading questions for discussion and assessment an extensive glossary and links to key websites and downloadable articles This latest edition will be welcomed by lecturers and students wanting an authoritative guide to the sociology of work

Re-Tayloring Management Leonard Holmes, 2016-04-01 Over a century has passed and yet there is growing evidence that knowledge workers across the globe today are as constrained by F W Taylor's much maligned *The Principles of Scientific Management* as factory workers were in the early twentieth century *Re-Tayloring Management* looks critically at Taylor's philosophy on management and contrasts it with other perspectives that have since emerged along with the professionalization of management and the growth in business and management education The contributors demonstrate that despite the complexity and uncertainty that organizations face instead of designing work systems where knowledge and service workers have the freedom to apply knowledge and skills at the point they are most needed managers are obsessed with maintaining tighter control This approach conflicts with contemporary job design principles which emphasise job crafting whereby individuals are encouraged to craft their role in a way that is congruent with their identity Drawing on insights from academics with diverse backgrounds and interests and organised around past present and future themes this book is a thought provoking read for professional managers as well as for postgraduate students and academics teaching and researching organizational studies and management

Post-Marxism Stuart Sim, 2019-08-07 No detailed description available for Post Marxism

Managing the Adoption of New Technology David Preece, 2018-03-29 Originally published in 1989 this book gives an overview of the empirical work on new technology objectives together with an analysis of management strategies for adoption at the corporate technological and people levels It also reviews previous work on the extent to which staff at different levels and from different specialisms are involved in decision making as well as the adoption process more generally The book looks at different approaches to analysing organizational contexts and provides a framework for studying the stages of the adoption process The book includes case studies two in financial services and two in engineering contexts

The Working Class in England 1875-1914 John Benson, 2016-07-01 First published in 1985 Too often aspects of working class life have been treated as distinct and separate The contributors to this volume are aware of the dangers of such atomisation and have attempted to bring together a collection of studies which add to our knowledge of life in that time The examinations of family health work leisure and criminal trends form the basis of this work and suggest that the everyday lives and values of the working class were even more varied creative and complex than is generally believed This title will be of interest to students of history

Patriarchy at Work Sylvia Walby, 2013-05-20 The concept of patriarchy is one which signals a sharp divide between traditions of feminist thought Sylvia Walby attempts to conceptualize patriarchy in a way that takes account not only of the complexity of

relationships of gender but also of the subtleties of the interconnections of patriarchy and capitalism. She rejects those accounts which treat patriarchy as a unified set of relations or which confine the site of patriarchy to any one privileged sphere such as the family. Instead, she elaborates a novel view of patriarchy as a set of relatively autonomous relations, the connections between which are spelled out through a variety of detailed case studies. In contrast to many other views of capitalist patriarchy, Sylvia Walby characterizes the relationship between capitalism and patriarchy as a relationship not of harmony and mutual accommodation but of tension and conflict. This thesis is substantiated through a comparative historical analysis of three contrasting areas of employment: cotton textiles, engineering, and clerical work. These analyses show the shortcomings of much conventional literature in sociology, history, and economics on women's employment, which pays insufficient attention to the independence of patriarchal relations. The book draws upon sociological, historical, economic, and geographic materials to argue for an understanding of gender relations in terms of the specific tensions and compromises between patriarchal and capitalist relations. Exploring the impact of the state on patterns of employment and unemployment completes a book rich in theoretical and empirical analysis. *Patriarchy at Work* will be recognized as a major contribution to feminist thought and the social sciences.

Decoding **The Degradation Of Work Skill Deskillling And The Labour Process**: Revealing the Captivating Potential of Verbal Expression

The Degradation Of Work Skill Deskillling And The Labour Process Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Degradation Of Work Skill Deskillling And The Labour Process has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Degradation Of Work Skill Deskillling And The Labour Process has opened up a world of possibilities. Downloading The Degradation Of Work Skill Deskillling And The Labour Process provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Degradation Of Work Skill Deskillling And The Labour Process has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Degradation Of Work Skill Deskillling And The Labour Process. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Degradation Of Work Skill Deskillling And The Labour Process. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Degradation Of Work Skill

Deskilling And The Labour Process, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Degradation Of Work Skill Deskilling And The Labour Process has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Degradation Of Work Skill Deskilling And The Labour Process Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Degradation Of Work Skill Deskilling And The Labour Process is one of the best book in our library for free trial.
