

THE MYTH OF DEMOCRATIC FAILURE

*Why
Political Institutions
Are Efficient*

DONALD WITTMAN

The Democratic Myth

Alexander Wöll, Harald Wydra

The Democratic Myth:

The Myth of the Democratic Peacekeeper Arturo C. Sotomayor, 2014-01-15 If democratic principles do not just rub off onto United Nations peacekeepers what positive or negative implications can be observed Winner of the Luciano Tomassini Latin American Relations Book Award of the Luciano Tomassini Latin American Relations The Myth of the Democratic Peacekeeper reevaluates how United Nations peacekeeping missions reform or fail to reform their participating members It investigates how such missions affect military organizations and civil military relations as countries transition to a more democratic system Two thirds of the UN s peacekeepers come from developing nations many of which are transitioning to democracy as well The assumption is that these blue helmet peacekeepers learn not only to appreciate democratic principles through their mission work but also to develop an international outlook and new ideas about conflict prevention Arturo C Sotomayor debunks this myth arguing that democratic practices don t just rub off on UN peacekeepers So what if any benefit accrues to these troops from emerging democracies In this richly detailed study of a decade s worth of research 2001 2010 on Argentine Brazilian and Uruguayan peacekeeping participation Sotomayor draws upon international socialization theory and civil military relations to understand how peacekeeping efforts impact participating armed forces He asks three questions Does peacekeeping reform military organizations Can peacekeeping socialize soldiers to become more liberalized and civilianized Does peacekeeping improve defense and foreign policy integration His evaluation of the three countries involvement in the UN Stabilization Mission in Haiti reinforces his final analysis that successful democratic transitions must include a military organization open to change and a civilian leadership that exercises its oversight responsibilities The Myth of the Democratic Peacekeeper contributes to international relations theory and to substantive issues in civil military relations and comparative politics It provides a novel argument about how peacekeeping works and further insight into how international factors affect domestic politics as well as how international institutions affect democratizing efforts The Myth of American Democracy Trenton Fervor, 2013-04-10 In his current work Trenton Fervor author of The Last Individual The Ascendancy of the Sociomaniacal Mindset delivers a critical exposition of democracy and its defects The Myth of American Democracy is an unapologetic critique of the American political system and an attempt to dismantle the mystique perpetuated to sanctify and sanction it Fervor entreats the reader to reexamine the notion of democracy and its attendant processes absent the sophistic demagoguery and to more closely consider the actual nature of the institution and the establishment behemoth which inhabits and advances it The reader is encouraged to confront the myth and deception which pervade the contemporary conception of democracy and to accept the reality that the democratic emperor is naked Democracy today is in truth fundamentally absurd its premise is that an ideologically coherent consistent and efficient social policy program can be constructed by formulating each aspect of the overall program through a process of majoritarian amalgamation of contradictory incongruent and confrontational views The Myth of American Democracy is an important

rebutal of conventional democratic orthodoxy which will challenge readers to reevaluate their sympathies for the system This book is recommended reading for everyone who has wrestled with the troubling suspicion that there is something inherently dubious and defective about the democratic system **The Myth of Real Democracy and Other Myths of Modernity.**

Brian V Peck,2011-08-24 One of the most savage critiques of Modernity ever written on so called Democracy in its many forms Meritocracy What is Truth Fact or Fiction the Mass Media and Individualism Meaning in essence that Socrates famous axiom is as relevant today as it was in the past which was according to Plato that the unexamined life is not worth living

Democratic Theory and Practice in Africa W. O. Oyugi,1995 *The Democratic Myth* Angela Atkin,1998 **Democracy and Myth in Russia and Eastern Europe** Alexander Wöll,Harald Wydra,2007-10-18 In the absence of democratic state institutions eastern European countries were considered to possess only myths of democracy Working on the premise that democracy is not only an institutional arrangement but also a civilisational project this book argues that mythical narratives help understanding the emergence of democracy without democrats Examining different national traditions as well as pre communist and communist narratives myths are seen as politically fabricated programmes of truth that form and sustain the political imagination Appearing as cultural literary or historical resources myths amount to ideology in narrative form which actors use in political struggles for the sake of achieving social compliance and loyalty with the authority of new political forms Drawing on a wide range of case studies including Ukraine Russia Poland Hungary and Czechoslovakia this book argues that narratives about the past are not simply legacies of former regimes but have actively shaped representations and meanings of democracy in the region Taking different theoretical and methodological approaches the power of myth is explored for issues such as leadership collective identity formation literary representation of heroic figures cultural symbolism in performative art as well as on the constitution of legitimacy and civic identity in post communist democracies

The Just War Myth Andrew Fiala,2008 As war continues to be a primary topic in public debate Andrew Fiala in *The Just War Myth* critically examines the concept of just war arguing that actual wars never live up to the ideals of just war theory The book provides a historical overview of the just war idea and also turns a critical eye on current events including the idea of preemptive war the use of torture and the unreality of the Bush Doctrine *The Case Against a Democratic State* Gordon Graham,2013-11-18 The history of the last two hundred years is a story of the immense and relentless growth of the State at the expense of other social institutions We are now so familiar and accepting of the State s pre eminence in all things that few think to question it and most suppose that democratic endorsement legitimizes it The aim of this essay is to present a sustained and compelling argument against both presumptions It contends that the gross imbalance of power in the modern State between ruler and ruled is sorely in need of justification and that democracy simply masks this need with an illusion of popular sovereignty Although this is an essay in cultural criticism whose argument should be fully accessible to the general reader it is written from within the European tradition of political philosophy from Plato to Rawls Gordon Graham is Regius

Professor of Moral Philosophy at the University of Aberdeen and a Fellow of the Royal Society of Edinburgh **Myth of National Defense: Essays on the Theory and History of Security Production, The , The Myth of Voter Fraud**

Lorraine C. Minnite, 2011-03-15 Allegations that widespread voter fraud is threatening to the integrity of American elections and American democracy itself have intensified since the disputed 2000 presidential election The claim that elections are being stolen by illegal immigrants and unscrupulous voter registration activists and vote buyers has been used to persuade the public that voter malfeasance is of greater concern than structural inequities in the ways votes are gathered and tallied justifying ever tighter restrictions on access to the polls Yet that claim is a myth In The Myth of Voter Fraud Lorraine C Minnite presents the results of her meticulous search for evidence of voter fraud She concludes that while voting irregularities produced by the fragmented and complex nature of the electoral process in the United States are common incidents of deliberate voter fraud are actually quite rare Based on painstaking research aggregating and sifting through data from a variety of sources including public records requests to all fifty state governments and the U S Justice Department Minnite contends that voter fraud is in reality a politically constructed myth intended to further complicate the voting process and reduce voter turnout She refutes several high profile charges of alleged voter fraud such as the assertion that eight of the 9 11 hijackers were registered to vote and makes the question of voter fraud more precise by distinguishing fraud from the manifold ways in which electoral democracy can be distorted Effectively disentangling misunderstandings and deliberate distortions from reality The Myth of Voter Fraud provides rigorous empirical evidence for those fighting to make the electoral process more efficient more equitable and more democratic

The Democratic Myth Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Democratic Myth PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Democratic Myth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of The Democratic Myth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Democratic Myth Books

What is a The Democratic Myth PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Democratic Myth PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Democratic Myth PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Democratic Myth PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Democratic Myth PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
