The Devil Is An Irishman:

The Devil is an Irishman Edmund Lenihan,1995 Take a night rambler Jack Murt in Jack o the Lantern a fisherman Se n Duinn a gambler Martin the Cards in The Two Rooted Briar or a plain ordinary farmer Larry in Larry and the Devil There are certain things no one should do certain conventions that must be obeyed such as not fishing on Good Friday or talking to spectral figures in graveyards in the dead hours of the night But sadly common sense does not always rule The only trouble is that when the cause of trouble is the Devil the consequences for the luckless victim are very serious indeed unless he has the presence of mind to beat the Evil One

The Irish Devil Donna Fletcher,2023-08-12 The beauty is no match for the devil or is she In 11th century Ireland lives an infamous warrior born of an Irish mother and a Viking father a fierce and unforgiving soul known as the Irish Devil For his services to the King of Ireland Eric of Shanekill is promised a bride and given a choice of Lord William s three daughters None appeal to the mighty warrior until he meets Faith the shunned daughter of Lord William Faith is as kind as she is beautiful Spurned by her father and step mother for having had the audacity to survive a vicious attack that left her with a telltale scar she now gives to others what was once denied to her a caring heart and a healing touch Can the beauty tame the devil or will he lead her into sin

The Comic Irishman Maureen Waters,1984-06-30 The Comic Irishman makes heretofore unacknowledged distinctions among different types of comic Irishmen and convincingly casts away the stereotyped version of the stage Irishman It shows how the Irish comic character whether a blundering fool or a lazy fun loving fellow evolved into a glib and witty rogue The book is a critical study of modern Irish fiction and drama The first part provides an analysis of the various Irish comic figures which were popular in the nineteenth century These are discussed within a social and historic framework because they were to a large extent shaped by the erosion of Gaelic culture under the impact of English government In the process of shifting from one cultural nexus to another the Irishman came to be regarded as highly inferior to his English counterpart yet amusing because of his difficulty with the English language and his rebellious unpredictable behavior The second part of the book discusses the writings of such twentieth century authors as James Joyce Samuel Beckett Sean O Casey and Flann O Brien who concentrated on the analysis of the stage Irishman Some brilliantly exploited the comic tradition while other used satire to explode what they perceived as a debasing myth

The Devil's Elixir Ernst Theodor Amadeus Hoffmann,1824 The Devil's Elixir E. T. A. Hoffmann,2011-08-01 German writer E T A Hoffmann is known as the master of uncanny and supernatural tales In the novella The Devil s Elixir Hoffmann recounts the creepy exploits of a monk who is driven to the brink of madness by a mysterious substance and a mysterious possibly demonic figure who bears a striking resemblance to the monk himself

T. A. Hoffmann a pivotal figure in German Romantic literature often delved into themes of horror and the psychological complexities of his characters His unique background as a lawyer musician and writer undoubtedly influenced the creation of *The Devil's Elixirs* as he sought to explore the darker aspects of human existence drawing from folklore and personal experiences with mental health struggles Hoffmann's own fascination with the uncanny and the irrational permeates the narrative offering insights into the tumultuous human psyche Readers seeking an atmospheric dive into existential questions and the human experience will find *The Devil's Elixirs* an essential addition to their literary exploration Hoffmann's skillful blend of fantasy psychological depth and moral ambiguity not only creates an enthralling narrative but also invites critical reflections on the nature of evil and the complexity of identity This novel is a must read for fans of gothic literature those curious about the intricacies of the mind and anyone interested in the nuances of Romantic era literature In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *The New Irish Studies* Paige
