

More than 2,500 years ago, Gautama the Buddha walked
the earth, teaching in all ways would have. Still we
have but a few stories about his death. He himself has
no words left that they were able to do with the Buddha
had spoken. These writings were composed over 25
phases, an anthology of 100 years containing the
essence of his teachings. Today Buddha's teachings are
everywhere in the world.

Osho is one of the most prominent figures of our
time, who inspired millions of people worldwide to find
individual ways for meditation and enlightenment.
Through his talks on the teachings of Buddha
today we can find a bridge from the highest peaks of
human consciousness to the everyday challenges of
contemporary life.
