

A man and a woman are shown from the chest up, submerged in a vast field of brown beans. Only their heads and shoulders are visible above the surface of the beans. The man on the left has a surprised expression, while the woman on the right is smiling slightly. The beans are densely packed and fill the entire background.

**A Hill of Beans** Valerie Schultz, 2022-10-07 2023 Catholic Media Association Third Place Award Anthology Do we make too much of our day to day problems In the big scheme of things how important can they be Award winning storyteller Valerie Schultz answers these questions through deeply touching and sometimes provocative personal accounts of family career addiction alienation romance aging and loss With compassion and honesty Schultz retraces the passages of ordinary life finding grace and the presence of God in those she loves and those she struggles to love *Hill of Beans* Leslie Epstein, 2021-03 Leslie Epstein's *Hill of Beans* is the story of how one nation one industry and in particular one man responded to the desperate hope of freedom in the Second World War **Talking Turkey** Robert Hendrickson, 2014-02-11 Food is a favorite topic of conversation around the world how to create it how to season it how to compliment it with other foods how to serve it the list goes on Yet little attention is paid to where the names of food actually come from or why so many phrases we use daily involve food whether or not they actually relate to the kitchen Bring some history to the table with this delightful phrasebook **American English(es)** Anna Belladelli, Roberto Cagliero, 2013-05-24 American English es focuses on the manifold nature of a macro regional variety of English which is better described in the plural form thus enhancing the endless contribution of most diverse ethnic groups such as those kidnapped from Africa to be employed as slaves survivors of native American tribes systematically exterminated in the past and later on European Jews escaping from pogroms Europeans and Asians escaping from poverty and more recently Central and South Americans mostly Spanish speakers emigrating to the USA in search of supposedly better living conditions By tackling the notions of minority variety and dialect this book singles out three language related phenomena which are currently relevant to the academic and cultural debate concerning US society namely the obsolescent representation of minority vs hegemonic varieties of English the latest developments of the Spanish vs English controversy and the increasing exposure of slang in public contexts The multiple points of view on American Englishes offered by the essays included in the present volume draw on diverse and often contrasting approaches ranging from corpus linguistics to cultural studies from lexicography lexicology to discourse analysis **M Train** Patti Smith, 2015-10-06 NATIONAL BESTSELLER From the National Book Award winning author of *Just Kids* a sublime collection of true stories and wild imaginings that take us to the very heart of who Patti Smith is *Vanity Fair* told through the cafés and haunts she has worked in around the world Patti Smith calls this bestselling work a roadmap to my life *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee ruminates on the world as it is and the world as it was and writes in her notebook Through prose that shifts fluidly between dreams and reality past and present we travel to Frida Kahlo's Casa Azul in Mexico to the fertile moon terrain of Iceland to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits to the West 4th Street subway station filled with the sounds of the Velvet Underground after the death of Lou Reed and to the graves of Genet Plath

Rimbaud and Mishima Woven throughout are reflections on the writer's craft and on artistic creation Here too are singular memories of Smith's life in Michigan and the irremediable loss of her husband Fred Sonic Smith Braiding despair with hope and consolation illustrated with her signature Polaroids *M Train* is a meditation on travel detective shows literature and coffee It is a powerful deeply moving book by one of the most remarkable multiplatform artists at work today Featuring a postscript with five new photos from Patti Smith

**Partitioning the Soul** Klaus Corcilus, Dominik Perler, 2014-07-28 Does the soul have parts What kind of parts And how do all the parts make together a whole Many ancient medieval and early modern philosophers discussed these questions thus providing a mereological analysis of the soul Their starting point was a simple observation we tend to describe the soul of human beings by referring to different types of activities perceiving imagining thinking etc Each type of activity seems to be produced by a special part of the soul But how can a simple undivided soul have parts Classical thinkers gave radically different answers to this question While some claimed that there are indeed parts thus assigning an internal complexity to the soul others emphasized that there can only be a plurality of functions that should not be conflated with a plurality of parts The eleven chapters reconstruct and critically examine these answers They make clear that the metaphysical structure of the soul was a crucial issue for ancient medieval and early modern philosophers
