The History Of Printed Scraps:

The History of Printed Scraps Alistair Allen, Joan Hoverstadt, 1990-01-01 **History of Printed Scraps** Alistair Allen, Outlet, 1984-06-01 Gives the history of small images reliefs used for Christmas and Valentine decorations name cards figures for children advertising and other decorations lithographically printed and often embossed of the nineteenth century with examples of each us **The Scrapbook in American Life** Susan Tucker, Katherine Ott, Patricia Buckler, 2006 This book explores the history of scrapbook making its origins uses changing forms and purposes as well as the human agents behind the books themselves Scrapbooks bring pleasure in both the making and consuming and are one of the most enduring yet simultaneously changing cultural forms of the last two centuries Despite the popularity of scrapbooks no one has placed them within historical traditions until now This volume considers the makers their artefacts And The viewers within the context of American culture The volume s contributors do not show the reader how to make scrapbooks or improve techniques but instead explore the curious history of what others have done in the past and why these splendid examples of material and visual culture have such a significant place in many households **Encyclopedia of Ephemera** Maurice Rickards, 2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture **Woolfian Boundaries** Anna Burrells, Steve Ellis, 2023-12-15 Woolfian Boundaries explores Woolf s work from perspectives beyond the boundary of her own positions and attitudes taking her coolness toward the provinces and prejudice against the regional novel Letters 6 381 as the starting point for considering her writing in the light of its own limits self declared and otherwise Chapter topics range from Woolf s connections with the Birmingham School of novelists in the 1930s to her interests in environmentalism portraiture photography and the media and her endlessly fascinating relationship with the writings of her contemporaries and predecessors **Defining Print Culture for Youth** Anne Lundin, Wayne A. Wiegand, 2003-05-30 Sponsored by the Center for the History of Print Culture in Modern America this

volume features a selection of ten papers compiled from the Center's second national conference accompanied by a detailed introduction Presented by scholars from diverse backgrounds the essays center on the emerging interdisciplinary field of print culture They examine children's literature and related print materials from a cultural perspective and discuss the influence of ideological political and material factors on the reader Moreover the authors join a cultural debate over the nature of childhood in specific historical periods

Time, Domesticity and Print Culture in Nineteenth-Century Britain M. Damkjær, 2016-03-29 This innovative study shows that nineteenth century texts gave domesticity not just a spatial but also a temporal dimension Novels by Dickens and Gaskell as well as periodicals cookery books and albums all showed domesticity as a process Damkjær argues that texts material form had a profound influence on their representation of domestic time

Conservation of Books Abigail Bainbridge, 2023-03-27 Conservation of Books is the highly anticipated reference work on global book structures and their conservation offering the first modern comprehensive overview on this subject The volume takes an international approach to its subject Written by over 70 specialists in conservation and conservation science based in 19 countries its 26 chapters cover traditional book structures from around the world the materials from which they are made and how they degrade and how to preserve and conserve them It also examines the theoretical underpinnings of conservation what and how to treat and the ethical cultural and economic implications of treatment Technical drawings and photographs illustrate the structures and treatments examined throughout the book Ultimately readers gain an in depth understanding of the materiality of books in numerous global contexts and reflect on the practical considerations involved in their analysis and treatment Conservation of Books is a quintessential reference work for book conservators and anyone working with books such as collection managers librarians curators dealers collectors historians and related professionals It is also an indispensable text for students to complement hands on training in this field
