Cassidy's Walk of Fame Alan McMonagle,2020-03-05 A cracker Patrick McCabe An irresistible comedy Luke Kennard Laura Cassidy is going all the way Hollywood Starry lights The Walk of Fame It s her destiny At least that s what her movie obsessed father used to tell her That was always the plan Sure it s been a bit slow going but the stars have finally aligned The long awaited new theatre is about to open and their first production calls for a particularly fiery female lead This part has Laura s name on it There s her meddlesome older sister to get past freshly returned from saving the world Her occasional lover and stand in leading man seems to think it s all a waste of time And probably best not to mention the audition to her mother especially after what happened last time Laura just has to stay one step ahead of them all Channelling the era of Hollywood s silver screen and told in a voice that blends devil humour quiet mayhem and a singled minded optimism that might just lead to disaster Laura Cassidy s Walk of Fame tells the story of a troubled soul desperate to find her place in life
