The Home Of The Future And The Womans Sphere:

Reprogen-Ethics and the Future of Gender Frida Simonstein, 2009-07-06 *Reprogen Ethics and the Future of Gender* brings together three tightly related topics which have so far been dealt separately in bioethics assisted reproduction enhancing and gender Part one in this book targets present policies and legislature of assisted reproduction Part two focuses on current views of the ethics of PGD and enhancing Part three tackles the future of gender Part four deals with artificial wombs and ectogenesis The aim of this book is to provide a joint perspective in order to get the big picture Contributors include Matti H yry Tuija Takala S ren Holm David Heyd Daniel Callahan Harriet Bradley Ekaterina Balabanova and others Some chapters in this book will significantly contribute to the current discussion of the topics at stake other chapters will start a discussion on issues that have not yet been discussed *Reprogen Ethics and the Future of Gender* will certainly appeal to readers who are interested in any of the intersecting topics of assisted reproduction genetic enhancing and gender bioethicists sociologists genetic counsellors gynaecologists legislators and students of the relevant disciplines *The Women's Revolution in Mexico, 1910-1953* Stephanie Evaline Mitchell, Patience Alexandra Schell, 2007 This book reinvigorates the debate on the Mexican Revolution exploring what this pivotal event meant to women The contributors offer a fresh look at women s participation in their homes and workplaces and through politics and community activism Drawing on a variety of perspectives the volume illuminates the ways women variously accepted contested used and manipulated the revolutionary project Recovering narratives that have been virtually written out of the historical record this book brings us a rich and complex array of women s experiences in the revolutionary and post revolutionary era in Mexico *Spaces of Hate* Colin Flint, 2013-10-18 While much has been written about hate groups and extreme right political movements this book will be the first that addresses the crucial role that place and context play in generating and shaping them Ranging across geographical scales the essays start with the home and then move from the local to the regional to the national to finally the global In this collection much of the focus is on the U S as the contributors consider a variety of hate activity and hate groups across the country including rural white supremacist and neo Nazi movements anti black sentiment directed towards cities anti gay activity in cities and rural areas and the resurgent Southern nationalist movement Closing with pieces from those who combat hate activity the intention of *Spaces of Hate* is to recognize specific geographic settings likely to foster hate activity *The Canadian Magazine* J. Gordon Mowat, John Alexander Cooper, Newton MacTavish, 1902 **The Canadian Magazine of Politics, Science, Art and Literature** ,1902 **Framing Our Past** Lorna R McLean, Kate O'Rourke, Sharon Anne Cook, 2001-05-14 With introductory essays by historians *Framing Our Past* emphasizes the lived experiences of women their participation in many areas of social life such as social rituals with other women organized sporting clubs philanthropic spiritual and aesthetic activities study and reading groups The authors then focus on women s roles as nurturers and keepers of the hearth B their experiences with family management child care and health concerns They consider women s varied

contributions within formal and informal educational systems as well as their instrumental political role in consumer activism social work peace movements and royal commissions Canadian women s shaping of health care and science through nursing physiotherapy and research are discussed as is women s work from domestic labour to dressmaking to broadcasting to banking Using diary accounts oral history letters organizational records paintings quilts dressmaking patterns milliners records posters Framing our Past offers a unique opportunity to share what is rarely if ever seen offering insights into the preservation and interpretation of historical sources

Womens' Roles and Population Trends in the Third World

Richard Anker,Marya Buvinic,Nadia H. Youssef,2012-07-26 First published in 1982 this collection was the result of an ambitious and wide ranging inter disciplinary research programme conducted by the International Labour Office ILO on the relationship between women s roles and demographic change with a view to influencing contemporary government and non government policy and future research in the field The ILO held an informal gathering of leading researchers in the fields of economics anthropology sociology and demography and this volume represents a unique and practically orientated collection offering valuable insights into contemporary perspectives on women s studies and population dynamics

Feminism, Sexuality, and Politics Estelle B. Freedman,2006-12-08 One of a small group of feminist pioneers in the historical profession Estelle B Freedman teaches and writes about women s history with a passion informed by her feminist values Over the past thirty years she has produced a body of work in which scholarship and politics have never been mutually exclusive This collection brings together eleven essays eight previously published and three new that document the evolving relationship between academic feminism and political feminism as Freedman has studied and lived it Following an introduction that presents a map of the personal and intellectual trajectory of Freedman s work the first section of essays on the origins and strategies of women s activism in U S history reiterates the importance of valuing women in a society that has long devalued their contributions The second section on the maintenance of sexual boundaries explores the malleability of both sexual identities and sexual politics Underlying the collection is an inquiry into the changing meanings of gender sexuality and politics during the nineteenth and twentieth centuries along with a concern for applying the insights of women s history broadly from the classroom to the courthouse
