

HONOR

The Honor Price

Carmel McCaffrey, Leo Eaton

The Honor Price:

Hiberniae Leges Et Institutiones Antiquae, 1865 **Ancient laws of Ireland** Ireland, 1865 *Lost and Found in Early Irish Law* Charlene M. Eska, 2022-07-18 Charlene M Eska presents in this book a critical edition and translation of a newly discovered early Irish legal text on lost and stolen property Aidbred Although the Old Irish text itself is fragmentary the copious accompanying commentaries provide a wealth of legal historical and linguistic information thus presenting us with a complete picture of the legal procedures involved in reclaiming missing property This book also includes editions of two other texts concerning property found on land Heptad 64 and at sea Muirbretha The three texts edited together provide a complete picture of this aspect of the early Irish legal system *Ancient Laws of Ireland*, 1869 [Ancient laws of Ireland: Senchus Mór, pt. II : law of distress \(completed\). Laws of hostage-sureties, fosterage, saerstock tenure, daer-stock tenure, and of social connexions](#) Ireland, 1869 *Cáin Lánamna* Charlene Eska, 2009-11-23 C in L namna The Law of Couples an Old Irish text dated to c 700 is arguably the most important source of information concerning women and the household economy in early Ireland The text describes all the recognized marriages and unions both legal and illegal and provides information regarding the allocation of property in the event of a divorce The text was heavily glossed over a period of several centuries and provides insights into changes in the Irish legal system This book provides for the first time an English translation of the entire text and all the accompanying glosses and commentary It also includes an introduction to early Irish society linguistic and legal notes and a glossary to the tract **Ancient Laws of Ireland** Ireland. Commissioners for Publishing the Ancient Laws and Institutes of Ireland, 1865 **Debt** David Graeber, 2014-12-09 Now in paperback the updated and expanded edition David Graeber s fresh fascinating thought provoking and exceedingly timely Financial Times history of debt Here anthropologist David Graeber presents a stunning reversal of conventional wisdom he shows that before there was money there was debt For more than 5 000 years since the beginnings of the first agrarian empires humans have used elaborate credit systems to buy and sell goods that is long before the invention of coins or cash It is in this era Graeber argues that we also first encounter a society divided into debtors and creditors Graeber shows that arguments about debt and debt forgiveness have been at the center of political debates from Italy to China as well as sparking innumerable insurrections He also brilliantly demonstrates that the language of the ancient works of law and religion words like guilt sin and redemption derive in large part from ancient debates about debt and shape even our most basic ideas of right and wrong We are still fighting these battles today without knowing it *A Raven's Battle-cry: The Limits of Judgment in the Medieval Irish Legal Tract Anfuigell* Charlene M. Eska, 2019-01-28 In A Raven s Battle cry Charlene M Eska presents a critical edition and translation of the previously unpublished medieval Irish legal tract Anfuigell Although the Old Irish text itself is fragmentary the copious accompanying commentaries provide a wealth of legal historical and linguistic information not found elsewhere in the medieval Irish legal corpus Anfuigell contains a wide range of topics relating to the role of the judge in deciding

difficult cases including kingship raiding poets shipwreck marriage fosterage divorce and contracts relating to land and livestock *Routledge Revivals: Medieval Ireland (2005)* Sean Duffy,2017-07-05 Through violent incursions by the Vikings and the spread of Christianity medieval Ireland maintained a distinctive Gaelic identity From the sacred site of Tara to the manuscript illuminations in the Book of Kells Anglo Irish relations to the Connachta dynasty Ireland during the middle ages was a rich and vivid culture First published in 2005 Medieval Ireland An Encyclopedia brings together in one authoritative resource the multiple facets of life in Ireland before and after the Anglo Norman invasion of 1169 from the sixth to sixteenth century Multidisciplinary in coverage this A Z reference work provides information on historical events economics politics the arts religion intellectual history and many other aspects of the period Written by the world s leading scholars on the subject this highly accessible reference work will be of key interest to students researchers and general readers alike

Cattle Lords and Clansmen Nerys T. Patterson,1994-04-30 In *Cattle Lords and Clansmen* Nerys Patterson provides an analysis of the social structure of medieval Ireland focusing on the pre Norman period By combining difficult often fragmentary primary sources with sociological and anthropological methods Patterson produces a unique approach to the study of early Ireland one that challenges previous scholarship The second edition includes a chapter on seasonal rhythm material derived from Patterson s post 1991 publications and an updated bibliography *Coire Sois, The Cauldron of Knowledge* Tomás Ó Cathasaigh,2014-01-30 *Coire Sois The Cauldron of Knowledge* A Companion to Early Irish Saga offers thirty one previously published essays by Tom s Cathasaigh which together constitute a magisterial survey of early Irish narrative literature in the vernacular Cathasaigh has been called the father of early Irish literary criticism with writings among the most influential in the field He pioneered the analysis of the classic early Irish tales as literary texts a breakthrough at a time when they were valued mainly as repositories of grammatical forms historical data and mythological debris All four of the Mythological Ulster King and Finn Cycles are represented here in readings of richness complexity and sophistication supported by absolute philological rigor and yet easy for the non specialist to follow The book covers key terms important characters recurring themes rhetorical strategies and the narrative logic of this literature It also surveys the work of the many others whose explorations were launched by Cathasaigh s first encounters with the literature As the most authoritative single volume on the essential texts and themes of early Irish saga this collection will be an indispensable resource for established scholars and an ideal introduction for newcomers to one of the richest and most under studied literatures of medieval Europe *Rule Book Color* Michael Ventrella,2013-10-22 The rule book for the Alliance LARP Live Action Role Playing game with full color pictures and graphs Also includes tabletop rules For more details visit www.AllianceLARP.com *Anarchy and the Law* Edward P. Stringham,2017-07-05 Private property anarchism also known as anarchist libertarianism individualist anarchism and anarcho capitalism is a political philosophy and set of economic and legal arguments that maintains that just as the markets and private institutions of civil society provide food shelter and other

human needs markets and contracts should provide law and that the rule of law itself can only be understood as a private institution To the libertarian the state and its police powers are not benign societal forces but a system of conquest authoritarianism and occupation But whereas limited government libertarians argue in favor of political constraints anarchist libertarians argue that to check government against abuse the state itself must be replaced by a social order of self government based on contracts Indeed contemporary history has shown that limited government is untenable as it is inherently unstable and prone to corruption being dependent on the interest group politics of the state s current leadership Anarchy and the Law presents the most important essays explaining debating and examining historical examples of stateless orders Section I Theory of Private Property Anarchism presents articles that criticize arguments for government law enforcement and discuss how the private sector can provide law In Section II Debate limited government libertarians argue with anarchist libertarians about the morality and viability of private sector law enforcement Section III History of Anarchist Thought contains a sampling of both classic anarchist works and modern studies of the history of anarchist thought and societies Section IV Historical Case Studies of Non Government Law Enforcement shows that the idea that markets can function without state coercion is an entirely viable concept Anarchy and the Law is a comprehensive reader on anarchist libertarian thought that will be welcomed by students of govern

In Search of Ancient Ireland Carmel McCaffrey, Leo Eaton, 2003-06-11 This engaging book traces the history archaeology and legends of ancient Ireland from 9000 B C when nomadic hunter gatherers appeared in Ireland at the end of the last Ice Age to 1167 A D when a Norman invasion brought the country under control of the English crown for the first time So much of what people today accept as ancient Irish history Celtic invaders from Europe turning Ireland into a Celtic nation St Patrick driving the snakes from Ireland and converting its people to Christianity is myth and legend with little basis in reality The truth is more interesting The Irish as the authors show are not even Celtic in an archaeological sense And there were plenty of bishops in Ireland before a British missionary called Patrick arrived But In Search of Ancient Ireland is not simply the story of events from long ago Across Ireland today are festivals places and folk customs that provide a tangible link to events thousands of years past The authors visit and describe many of these places and festivals talking to a wide variety of historians scholars poets and storytellers in the very settings where history happened Thus the book is also a journey on the ground to uncover ten thousand years of Irish identity In Search of Ancient Ireland is the official companion to the three part PBS documentary series With 14 black and white photos 6 b w illustrations and 1 map
