THE HORSEMEN OF THE PLAINS

Joseph Alexander Altsheler, 1930 *The Indian War Novels* Joseph A. Altsheler, 2011-08 Two novels of the Plains Indian Wars of the Western Frontier The story of America has always been one of frontiers During the 18th century the west was in that part of the continent we term the east today and the threat to settlers from hostile indigenous Indian tribes was from those who inhabited that densely forested wilderness of lakes and mountains Inexorably and inevitably the tide of European pioneers the new Americans pushed westward towards the Pacific Ocean The drive to open new country to found new states build homes and farms became an exodus of almost biblical proportions the Manifest Destiny After the Civil War between the Northern and Southern states immigrant wagon trains would push the emergent nation into and across the great plains of the interior of the continent the home of enormous herds of American buffalo and the Indian tribes who subsisted on them These were the Plains Indians born hunters and warriors who some called the finest light cavalry on earth for their skill in

horsemanship and who were fiercely defensive of their traditional and sacred way of life True to pattern when an advanced society encroaches upon a primitive culture there came the inevitable conflict which could only be settled in blood The two novels in this book The Last of the Chiefs a story of the Great Sioux War and The Horsemen of the Plains a story of the Great Cheyenne War are adventures which are set against those once turbulent but now romantic times when the Cheyennes Arapahos and Sioux were masters of the plains and it was the task of the United States Army the infantry and cavalry in dirty shirt blue to tame them The author of these novels Joseph A Altsheler was a prolific author of adventure fiction almost always set against an historical background and most often employing the history of his own nation the United States of America as subject material Indeed Altsheler remains highly regarded for his authenticity and accuracy of historical detail Leonaur publish several series by Altsheler including The French and Indian War series The Colonial Frontier series The Civil War series and a single volume which contains the entire Great War series Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

The Plains: Text Classics Gerald Murnane, Wayne Macauley, 2012-04-26 Winner of the Patrick White Literary Award 1999 Introduction by Wayne Macauley There is no book in Australian literature like The Plains In the two decades since its first publication this haunting novel has earned its status as a classic A nameless young man arrives on the plains and begins to document the strange and rich culture of the plains families As his story unfolds the novel becomes in the words of Murray Bail a mirage of landscape memory love and literature itself Gerald Murnane was born in Melbourne in 1939 He has been a primary teacher an editor and a university lecturer His debut novel Tamarisk Row 1974 was followed by ten other works of fiction including The Plains and most recently Border Districts In 1999 Murnane won the Patrick White Award and in 2009 he won the Melbourne Prize for Literature He lives in western Victoria Wayne Macauley is the author of three novels Blueprints for a Barbed Wire Canoe 2004 Caravan Story 2007 and The Cook 2011 and the short fiction collection Other Stories 2010 He lives in Melbourne Murnane is quite simply one of the finest writers we have produced Peter Craven A distinguished distinctive unforgettable novel Shirley Hazzard Gerald Murnane is unquestionably one of the most original writers working in Australia today and The Plains is a fascinating and rewarding book The writing is extraordinarily good spare austere strong often oddly moving Australian A piece of imaginative writing so remarkably sustained that it is a subject for meditation rather than a mere reading In the depths and surfaces of this extraordinary fable you will see your inner self eerily reflected again and again Sydney Morning Herald The Plains has that peculiar singularity that can make literature great Ed Wright Australian Best Books of 2015 Murnane touches on foibles and philosophy plays with the makings of a fable or allegory and all the while toys with tone moving easily from earnest to deadpan to lightly ironic a meld of Buster Keaton the Kafka of the short stories and Swift in A Modest Proposal A provocative delightful diverting must reread STARRED Review Kirkus Reviews Known for its sharp yet defamiliarizing take on the

landscape and an aesthetic of purity historically associated with it The Plains is uniformly described as a masterpiece of Australian literature Look closer though and it s a haunting nineteenth century novel of colonial violence captured inside the machine s test pattern image a distant unassuming house on the plains BOMB **The Horsemen of the Plains** Joseph Alexander Altsheler,1957 **A Guide to the Indian Tribes of the Pacific Northwest** Robert H. Ruby,1992 Over the centuries the Indians of Washington Oregon Idaho and western Montana have adapted their lifeways to their region s radically different environments an evolution that in some tribes continues to this day as they conform to the demands of contemporary American society The Horsemen of the Plains Joseph Alexander Altsheler,2017-04-26 Excerpt from The Horsemen of the Plains A Story of the Great Cheyenne War A boy sat in a little room in the frontier town of Omaha It was a poor and cheap place A imsy table stood in one corner an equally imsy bed in another and one or two pictures from newspapers were tacked on the bare pine walls There was no carpet on the oor Nothing showed quality except a ri e that lay across the foot of the bed The weapon was a fine breech loader advanced in type for the time and a skilful hand had carved initials and several graceful little decorations on the stock Any one would surmise that it was highly prized by its owner The boy himself was a match for his ri e a stalwart youth seventeen years old with the stat ure and strength of a man His brown hair cut short curled just a little and his blue eyes were set wide apart as they usually are in those of large minds His face was brown with tan but at the edge of the collar his fair white skin showed A comely boy and a strong and brave one as the most casual observer would have inferred But he was dressed poorly and the look upon his face just now was not cheerful although his was a nature disposed to see the better side of things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
