Discovering Classic Horror Fiction I Darrell Schweitzer, 1992-12-01 *Arthur Machen: Weaver of Fantasy* William F. Gekle, 2022-08-21 In Arthur Machen Weaver of Fantasy William F Gekle explores the intricate tapestry of Machen s literary oeuvre emphasizing his seminal role in the development of supernatural fiction Gekle s analytical narrative delves into Machen s unique stylistic choices characterized by rich symbolism and evocative prose which underscore his fascination with the uncanny and the mystical The book situates Machen within the broader literary context of late Victorian and early 20th century literature illuminating how his explorations of the esoteric and the unknown influenced contemporaries and later generations of writers alike William F Gekle a prominent scholar in the field of speculative literature draws upon his extensive background in Victorian studies to craft this comprehensive examination of Machen s work His deep appreciation for the interplay between reality and fantasy in literature has driven him to unveil the layers of Machen s narratives and their implications on modern literary trends Gekle s thorough research reflects a lifelong dedication to understanding how Machen s visionary ideas engage with perennial human themes of fear wonder and the sublime For readers captivated by the mysteries of life and the supernatural Gekle s Arthur Machen Weaver of Fantasy is an essential read This book not only enriches the understanding of Machen s contributions but also invites contemporary readers to uncover the enchanting and often chilling dimensions of his stories making it an indispensable addition to the library of any literary enthusiast **The Victorian Ghost Story and Theology** Zoe Lehmann Imfeld, 2016-07-27 This book argues that theology is central to an understanding of the literary ghost story Victorian ghost stories have traditionally been read in the context of agnosticism as stories which reveal a society struggling with Christian orthodoxy in a new Enlightened world This book however uses theological ideas from St Augustine through to modern theologians to identify a theological journey taken by the protagonists of such stories and charts each stage of this journey through the short stories it examines It also proposes a theory of reader participation which creates an imaginary space in which modern epistemology is suspended The book studies the work of four major authors of the supernatural tale Arthur Machen M R James Sheridan Le Fanu and Henry James **Book Bulletin** , 1920 **Bulletin** Carnegie Library of Atlanta, 1913 **The Borzoi 1925** Alfred A. Knopf, Inc, 1925 **The Writer in Petrograd and the House of Arts** Martha Weitzel Hickey, 2009-06-16 Founded by Maksim Gorky and Kornei Chukovsky in 1919 and disbanded in 1922 the Petrograd House of Arts occupied a crucial moment in Russia s cultural history By chronicling the rise and fall of this literary landmark this book conveys in greater depth and detail than ever before a significant but little studied period in Soviet literature Poised between Russian culture s past and her Soviet future between pre and post Revolutionary generations this once lavish private home on the Nevsky Prospekt housed as many as fifty six poets novelists critics and artists at one time during a period of great social and political turbulence And as such Hickey

contends the House of Arts served as a crucible for a literature in transition Hickey shows how the House of Arts though virtually ignored by Soviet era cultural historians played a critical role in shaping the lively literature of the next decade a literature often straddling the border between fiction and non fiction Considering prose writers such as Yevgeny Zamyatin Olga Forsh the Serapion Brothers group Viktor Shklovsky Boris Eikhenbaum as well as poets including Alexander Blok Nikolay Gumilev Anna Radlova Osip Mandelstam and Vladislav Khodasevich she traces the comings and goings at the House of Arts the meetings and readings and lectures and most of all the powerful influence of these interactions on those who briefly lived and worked there In her work the Petrograd House of Arts appears for the first time in all its complexity and importance as a focal point for the social and cultural ferment of the day and a turning point in the direction of Russian literature and criticism
