Skies Of Durin:

Skies of Durin Michael A. Crisp, 2005-08-01 Over a thousand years have passed since the Earth was all but destroyed during the outbreak of World War III Magic is now a vital part of the everyday lives of all races A powerful wizard rises from the ashes to unite the world under his bloodthirsty rule Two special intelligent and powerful women must face the very worst that this new world throws at them During their journeys across this dangerous land they befriend a small group of people and together they fight to restore peace Their collective hopes and dreams are to purge the evil forces from the world which are threatening once more cover the world in a veil of blood and darkness *The Moon in 'The Hobbit' Codex*

Regius, 2021-12-30 J R R Tolkien had retroactively tried to make the lunar phases described in his novel The Hobbit consistent and he failed Quite by chance he had got it almost right though despite operating with false premises discussed in this book Incidentally the lunar phases of The Hobbit ran synchronous to those of 2017 which had provided the chance to verify them against reality That is why this Extended Edition includes much of the day by day timetable of Bilbo Baggins adventures and the relevant phases of the Moon that has first been published online As a further bonus the chapter on the calendars of Middle earth has been amended and the arithmetic errors of the shorter edition removed A previously unpublished chapter on the measuring of hours in Middle earth has been added *Godsland* Brian Rathbone, 2014-04-01

world over the edge of the Wild and home again and can take an interest in a humble hero blessed with a little wisdom and a little courage and considerable good luck here is a record of such a journey and such a traveler The period is the ancient time between the age of Faerie and the dominion of men when the famous forest of Mirkwood was still standing and the mountains were full of danger In following the path of this humble adventurer you will learn by the way as he did if you do not already know all about these things much about trolls goblins dwarves and elves and get some glimpses into the history and politics of a neglected but important period For Mr Bilbo Baggins visited various notable persons conversed with the dragon Smaug the Magnificent and was present rather unwillingly at the Battle of the Five Armies This is all the more remarkable since he was a hobbit Hobbits have hitherto been passed over in history and legend perhaps because they as a rule preferred comfort to excitement But this account based on his personal memoirs of the one exciting year in the otherwise quiet life of Mr Baggins will give you a fair idea of the estimable people now it is said becoming rather rare They do not like noise
