Native American Games and Stories James Bruchac, Joseph Bruchac, 2000 Recognizing the widespread American Indian belief that you can learn while you play and play while you learn Native American Games and Stories provides young readers with stories and games that educate and entertain them Illustrations *Digital TV and Wireless Multimedia Communication* Guangtao Zhai, Jun Zhou, Hua Yang, Ping An, Xiaokang Yang, 2021-03-13 This book presents revised selected papers from the 17th International Forum on Digital TV and Wireless Multimedia Communication IFTC 2020 held in Shanghai China in December 2020 The 21 full papers and 16 short papers presented in this volume were carefully reviewed and selected from 120 submissions They were organized in topical sections on image processing machine learning quality assessment telecommunications video surveillance and virtual reality *Revelation Space* Alastair Reynolds, 2020-04-21 This highly acclaimed first novel in the Revelation Space universe has redefined the space opera with a staggering journey across vast gulfs of time and space to confront the very nature of reality itself Nine hundred thousand years ago something annihilated the Amarantin civilization just as it was on the verge of discovering space flight Now one scientist Dan Sylveste will stop at nothing to solve the Amarantin riddle before ancient history repeats itself With no other resources at his disposal Sylveste forges a dangerous alliance with the cyborg crew of the starship Nostalgia for Infinity But as he closes in on the secret a killer closes in on him Because the Amarantin were destroyed for a reason and if that reason is uncovered the universe and reality itself could be irrevocably altered A tour de force Ravishingly inventive Publishers Weekly *Chasm City* Alastair Reynolds, 2003 Tanner Mirabel ventures through the dark underside of Chasm City a once utopian city overrun by a vicious virus known as the Melding Plague in pursuit of a lowlife postmortal and comes face to face with a centuries old atrocity that everyone would do anything to keep hidden Reprint *Heavenly Wasteland Immortal Palace* Qi KaiDeSheng, 2019-11-04 The Myriad Domain s great world was vast and endless with many secret realms planes and worlds attached to it Here there were many lower realm kingdoms with powers that were like the stars middle dukedoms with powers that weren t ordinary upper realm kingdoms with legacies that hadn t declined in several thousand years and the Royal Court that was recognized by the heavens and earth the strongest and strongest in the Foreign Lands Qin Hengtian brought the Creation Immortal Court system to summon many ancient Chinese civil and martial officials and martial arts novels **Postcolonial Literature and Challenges for the New Millennium** Lucienne Loh, Malcolm Sen, 2017-10-02 This volume brings together an international range of postcolonial scholars to explore four distinct themes which are inherently interconnected within the globalised landscape of the early 21st century China Islamic fundamentalism civil war and environmentalism Through close reading a range of literary texts by writers drawn from across the globe these essays seek to emphasise the importance of literary aesthetics in situating the theoretical underpinnings and political motivations of postcolonial studies in the new millennium Colonial legacies especially in terms of structuring exploitative capitalist relations

between countries and regions are shown to persist in postcolonial nations in the form of global civil wars and systemic environmental waste Chinese authoritarianism and the Indian picturesque represent less familiar forms of neo colonialism These essays not only engage with established writers such as Salman Rushdie and Anita Desai they also critically reflect on work by Nadeem Aslam Mai Couto Romesh Gunsekara Bei Dao and Ma Jian This book was originally published as a special issue of Textual Practice

The California Indians Robert F. Heizer, M. A. Whipple, 2023-07-28 This new expanded edition of *The California Indians* is a more comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times The editors have combined the selections eighteen of which are new into a general survey of California Indian native cultures They have avoided highly technical studies because they intend their book for the general reading public rather than for scholars The editors discuss the present day Indians of California in a chapter written especially for this volume and provide a new extensive classified bibliography listing hundreds of published works arranged by culture areas and subjects This list of references should prove useful to the nonprofessional who wishes to read further on a particular tribal culture or topic such as Indian basketry or place names or prehistoric rock art This new expanded edition of *The California Indians* is a more comprehensive and thus more useful book than its predecessor which first appeared in 1951 and was reprinted seven times The editors have combined the selections eighteen of which are new in

Sheffield's Most Notorious Gangs Ben W. Johnson, 2018-05-30 British veterans of the Great War turn to organized crime in this history of rival street gangs and their reign of terror in the 1920s When the returning heroes of the First World War were forgotten by their country they had no choice but to fight again this time for their own survival Reduced to motley neighborhood regiments they traded their rifles for razors and butcher's knives The enemy was society at large and the police force paid to protect it Money would be made blood would be shed and lives would be lost Sheffield was a city at war with itself as opposing gangs battled daily for control of the streets Out of these deadly gangs two rival factions took control of the city For a dark and dangerous time The Mooney Gang and the Park Brigade even acted as governing bodies in many of the poorer neighborhoods In *Sheffield's Most Notorious Gangs* true crime historian Ben W Johnson explores their rise to power and the rising tide of violence that authorities seemed powerless to stop

The Gate of Heavenly Peace Jonathan D. Spence, 1982-10-28 A milestone in Western studies of China John K Fairbank In this masterful highly original approach to modern Chinese history Jonathan D Spence shows us the Chinese revolution through the eyes of its most articulate participants the writers historians philosophers and insurrectionists who shaped and were shaped by the turbulent events of the twentieth century By skillfully combining literary materials with more conventional sources of political and social history Spence provides an unparalleled look at China and her people and offers valuable insight into the continuing conflict

between the implacable power of the state and the strivings of China's artists, writers and thinkers *How To Select It*
