

What a
distinguished
psychiatrist
says about

THE SKYJACKER

His Flights of Fantasy

"I really think the book is great, and in many different ways. . . . Dr. Hubbard, a psychiatrist, makes an exciting story of how the first two skyjackers that he interviewed present a special kind of personality dynamics, confirmed later in the first series of twenty cases. . . . His case histories are gems and each is an interesting narrative in itself. . . . Dr. Hubbard's empathetic way with patients shines out in these interviews.

"His explanation of the unconscious factors in the psychodynamics of family life and the psychoanalytic interpretation of dreams and other fantasy material is presented in a form that is easily understood and accepted.

"He also delves into the little understood sense of gravity, experienced through the vestibular system and which controls our sense of balance, of uprightness or flight into space. He shows how our sense of reality is derived from the sense of gravity and how neurotic and psychotic distortions develop from early infantile disturbances in this area, especially in those individuals who may become skyjackers. In this book, Dr. Hubbard has made psychiatric methods and insights meaningful and exciting for both the professional and lay reader."

Women and the Lebanese Civil War Jennifer Philippa Eggert, 2021-11-09 This book analyses the reasons for women's participation in the various Lebanese and Palestinian militias involved in the Lebanese Civil War 1975-1990. Whilst most existing accounts of the Civil War in Lebanon either overlook the roles and experiences of women entirely or focus on women as victims or peacemakers only, *Women and the Lebanese Civil War* highlights that women were involved as militants and often also as fighters in all of the militias partaking in the war. Analysing individual motivations, organisational characteristics, security-related aspects and societal factors, the book explains why women were included as fighters in some of the militias but not in others. Based on extensive fieldwork in Lebanon, the book is the first comprehensive study of female perpetrators and supporters of political violence during the Lebanese Civil War. Beyond the case of Lebanon, it questions widespread assumptions about the roles of women at times of violent conflict and war.

Terminate Terrorism Karen A. Feste, 2015-11-17 This book looks at recent high-profile anti-American terrorism crises: the Cuban skyjacking epidemic, the Tehran hostage taking, the Beirut kidnappings and Al Qaeda suicide bombing. It then explains how they come to an end using a framework of conflict resolution concepts: conflict ripeness and stalemate, turning points, negotiation readiness and interest-based bargaining combined with shifts in decision-making strategies.

Unconquerable Nation Brian Michael Jenkins, 2006 The author presents a clear-sighted and sobering analysis of where we are today in the struggle against terrorism. Jenkins, an internationally renowned authority on terrorism, distills the jihadists' operational code and outlines a pragmatic but principled approach to defeating the terrorist enterprise. We need to build upon our traditions of determination and self-reliance, he argues, and above all preserve our commitment to American values.
