## **Sleeping Bones A Kate Delafield Mystery** **Kate Delafield:**

Sleeping Bones Katherine V. Forrest,2013-08-01 LAPD Detective Kate Delafield has a new iron willed female lieutenant a tough new partner who may turn out to be a much needed ally She also has a dangerous new case A reclusive old man has been brutally slain at the La Brea Tar Pits The unusual investigation could uncover the truth of humanity s ancient past and at the same time expose the corruption and violence of the present And everyone involved from an alluring scientist with a dark secret to a treacherous CIA officer with his own agenda is suspect With more at stake than just a pile of bones Kate has to gather together the pieces of a timeless puzzle and make sure they all fit before a remorseless killer decides to make her a part of history

The Gay Detective Novel Judith A. Markowitz,2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements

Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes
