Racked with guilt over their deaths Ralph must move on and find a wife so as to secure an heir to his family's title and fortune. Since her Seasons in London ended in disaster, Chloe Muirhead is resigned to spinsterhood. Driven by the need to escape her family, she takes refuge at the home of her mother's godmother where she meets Ralph. He needs a wife. She wants a husband. So Chloe makes an outrageous suggestion: Strike a bargain and get married. One condition: Ralph has to promise that he will never take her back to London. But circumstances change. And to Ralph it was only a promise.

Someone Perfect Mary Balogh, 2021-11-30 Sometimes just one person can pull a whole family apart. And sometimes it just takes one person to pull it back together. For fans of *Bridgerton*, New York Times bestselling Regency Romance author Mary Balogh shows how love truly conquers all in this new Westcott family novel. As a young man, Justin Wiley was banished by his father for mysterious reasons, but now his father is dead and Justin has been Earl of Brandon for six years. A dark, dour man, he nonetheless takes it as his responsibility to care for his half sister Maria when her mother dies. He travels to her home to fetch her back to the family seat at Everleigh Park. Although she adored him once, Maria now loathes Justin and her friend Lady Estelle Lamarr can see immediately how his very name upsets her. When Justin arrives and invites Estelle and her brother to accompany Maria to Everleigh Park to help with her distress, she begrudgingly agrees for Maria's sake. As family secrets unravel in Maria's homecoming, Justin too uncovers his desire for a countess. And while he may believe he's found an obvious candidate in the beautiful 25-year-old Lady Estelle, she is most certain that they could never make a match.

No Ordinary Love Mary Balogh, 2017-09-05 NO ORDINARY LOVE The North Tower Daphne Borland has inherited an old castle from her grandfather, provided she marries the earl of Everett, whom she has never met. She has never seen the castle, either, yet she feels a deep connection to it as soon as she arrives there. As she awaits the arrival of the earl with trepidation, she gets caught up in the events and passions of long ago and finds herself falling deeply in love with a man who has been dead for a hundred years. The Dark Rider Malvern is an ancient house haunted by ghosts, but only a few people can actually feel and see them. Dinah Riddings sent there to avoid the measles that have attacked her younger siblings is one of them. As she feels the pain and longings of the dark rider and his lady cruelly separated two centuries before, she also feels the pull of attraction to the master of the house who looks incredibly like the dark rider.

The Heirloom In order to celebrate his engagement, John Chandler drives his girlfriend from London to a remotely situated hotel in West Wales, once the home of his ancestors. However, when John produces her ring, an old family heirloom, and fits it on her finger, he finds himself catapulted back in time to become the John Chandler of Regency England, newly arrived at the house with his new wife and dying of consumption.

The Obedient Bride Mary Balogh, 2020-06-02 Geoffrey, the new Viscount Astor, needs a wife. Since he sets no great store by love and romance, he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor. He has never met any of them and has no preference. He leaves the choice to them and their mother. Arabella, the middle daughter, volunteers to make the sacrifice and marry the earl, since her older, far more lovely sister is

already in love with someone else She prays that he will be an older man of few attractions for she sees herself as plain and uninteresting She is dismayed to discover that Geoffrey is in fact young handsome and fashionable She vows to be a dutiful obedient wife and to devote her life to making him comfortable Arabella's plan seems to be working nicely for both Geoffrey and herself until that is she discovers something about him that shocks her to the core It is an offense she considers quite unforgivable And when Arabella makes up her mind about something she is not easily persuaded to change it Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized But how is he to win her back when she flatly refuses to be wheedled out of her outrage

The Ideal Wife Mary Balogh, 2008-06-24 In this classic tale New York Times bestselling author Mary Balogh introduces a hero like no other Miles Ripley London's most irresistible bachelor who's about to lose his heart to the last person he ever expected to love his wife When Abigail Gardiner knocks at the door of Miles Ripley Earl of Severn the last thing she expects is a marriage proposal Desperate she'd come to this charismatic stranger's home to plead for her future Instead she shocks them both by saying yes Her impulsive decision will have consequences neither she nor her new husband can foresee For Miles has his own reasons for marrying her And Abigail is harboring a secret of her own As distrust gives way to desire as together they give in to the pleasures of the marriage bed a devastating scandal threatens their future Now these two wary hearts will risk ruin and disgrace for a love that has changed them both forever the kind all seek but few ever find

Someone to Care Mary Balogh, 2018-05-01 Instant New York Times Bestseller Once the Countess of Riverdale Viola Kingsley throws all caution to the wind when adventure calls in the form of a handsome aristocrat Two years after the death of the Earl of Riverdale his family has overcome the shame of being stripped of their titles and fortune except for his onetime countess Viola With her children grown and herself no longer part of the social whirl of the ton she is uncertain where to look for happiness until quite by accident her path crosses once again with that of the Marquess of Dorchester Marcel Lamarr Marcel Lamarr has been a notorious womanizer since the death of his wife nearly twenty years earlier Viola caught his eye when she herself was a young mother but she evaded his seduction at the time A prize that eluded him before she is all the more irresistible to him now although he is surprised to discover that she is as eager now for the excitement he offers as he is himself When the two defy convention and run away together they discover that the ties of respectability are not so easily severed and pleasure can ensnare you when you least expect it

The Literary History of Saskatchewan David Carpenter, Kelly-Anne Riess, 2018-10-01 Volume 3 shifts its focus to Regina's literary culture and to the coming generation of younger writers but it continues to examine the best work from Saskatchewan The impact the relevance the illuminations of our best writers work tend to move well beyond the borders of our province This work transcends the regional sources of its inspiration Just as Marilynne Robinson has much to say to Canadians about the disruptions and the graces of family life Dianne Warren has much to say to Americans about the omnipresence of the past the shadows it casts on people's lives in the present Many of our best books

are nurtured by the history and the life of this province but they spring into literature roughly in proportion to their applications and their immemorial responses to the human condition **Irresistible** Mary Balogh,2016 Includes excerpts from *Indiscreet* and *Unforgiven* **Someone to Remember** Mary Balogh,2019 Abigail Westcott's dreams for her future were lost when her father died and she discovered her parents were not legally married But now six years later she enjoys the independence a life without expectation provides a wealthy single woman Indeed she's grown confident enough to scold the careless servant chopping wood outside without his shirt on in the proximity of ladies But the man is not a servant He is Gilbert Bennington the lieutenant colonel and superior officer who has escorted her wounded brother Harry home from the wars with Napoleon Gil has come to help his friend and junior officer recover and he doesn't take lightly to being condescended to secretly because of his own humble beginnings If at first Gil and Abigail seem to embody what the other most despises each will soon discover how wrong first impressions can be For behind the appearances of the once grand lady and the once humble man are two people who share an understanding of what true honor means and how only with it can one find love *Longing* Mary Balogh,2015-03-03 From New York Times bestselling legend and author of the *Survivors Club* series comes a cherished novel about the risks and the compromises that come with falling in love Governess and mistress he wanted her as both The illegitimate daughter of an English lord Sian Jones abandoned her heritage to live in a stalwart coal mining community in South Wales Empowered by their cause she's engaged to be married to the leader of a revolutionary movement that is bracing itself against the tyranny of English mine owners But Sian's principles are unexpectedly shaken when she accepts a job as governess under Alexander Hyatt the mysterious Marquess of Craille the oppressive symbol of everything she has come to resist She never expected Alexander to upend all her expectations He is sympathetic to her cause He is a loving father A man of wealth and position he is fatally attractive And he is offering his heart to the independent woman who has illuminated his life Now caught between two worlds and between the promises and desires of two men Sian must make a choice that will define her future one that can only be made in the name of love
