Imagining Resistance J. Keri Cronin, Kirsty Robertson, 2011-09-23 *Imagining Resistance* Visual Culture and Activism in Canada offers two separate but interconnected strategies for reading alternative culture in Canada from the 1940s through to the present first a history of radical artistic practice in Canada and second a collection of eleven essays that focus on a range of institutions artists events and actions The history of radical practice is spread through the book in a series of short interventions ranging from the Refus global to anarchist inspired art and from Aboriginal curatorial interventions to culture jamming In each the historical record is mined to rewrite and reverse Canadian art history reworked here to illuminate the series of oppositional artistic endeavours that are often mentioned in discussions of Canadian art but rarely acknowledged as having an alternative history of their own Alongside authors consider case studies as diverse as the anti war work done by John Lennon and Yoko Ono in Montreal and Toronto recent exhibitions of activist art in Canadian institutions radical films performance art protests against the Olympics interventions into anti immigrant sentiment in Montreal and work by Iroquois photographer Jeff Thomas Taken together the writings in *Imagining Resistance* touch on the local the global the national and post national to imagine a very different landscape of cultural practice in Canada

When Technocultures Collide Gary Genosko, 2013-11-23 *When Technocultures Collide* provides rich and diverse studies of collision courses between technologically inspired subcultures and the corporate and governmental entities they seek to undermine The adventures and exploits of computer hackers phone phreaks urban

explorers calculator and computer collectors CrackBerry users whistle blowers Yuppies zinsters roulette cheats chess geeks and a range of losers and tinkerers feature prominently in this volume Gary Genosko analyzes these practices for their remarkable diversity and their innovation and leaps of imagination He assesses the results of a number of operations including the Canadian stories of Mafiaboy Jeff Chapman of Infiltration and BlackBerry users The author provides critical accounts of highly specialized attributes such as the prospects of deterritorialized computer mice and big toe computing the role of electrical grid hacks in urban technopolitics and whether info addiction and depression contribute to tactical resistance Beyond resistance however the goal of this work is to find examples of technocultural autonomy in the minor and marginal cultural productions of small cultures ethico poetic diversions and sustainable withdrawals with genuine therapeutic potential to surpass accumulation debt and competition The dangers and joys of these struggles for autonomy are underlined in studies of RIM s BlackBerry and Julian Assange s WikiLeaks website

Europe in Its Own Eyes, Europe in the Eyes of the Other David B. MacDonald, Mary-Michelle DeCoste, 2014-04-23 What is Europe Who is European What do Europe and European identity mean in the twenty first century This collection of sixteen essays seeks to answer these questions by focusing on Europe as it is seen through its own eyes and through the eyes of others across a variety of cultural texts including sport film literature dance cartography and fashion These texts as interpreted here by emerging researchers as well as well established scholars enable us to engage with European identities in the plural and to understand what these identities mean in larger cultural and political contexts The interdisciplinary focus of this volume permits an exploration of European identity that reaches beyond the area of European studies to incorporate understandings of identity from the viewpoints of both insider and other Contributors explore diverse understandings of what it means to be other to a country a culture a society or a subgroup This book offers a fresh perspective on the evolving concept of identity in the context of Europe s past present and future and expands on the existing literature by considering the political tensions and social implications of the development of European identity as well as its literary artistic and cultural manifestations
