The Humor Of Healing A Physicians Look At The Lighter Side Of Medicine:

Jesus Christ M.D.~The Awesome Power of Blending Medicine and Religion for Healing Jerry Old MD,2017-07-05 Do ancient religious practices help in healing today Is prayer of benefit If so what kind of prayers What about laying on of hands or casting out demons Over three fourths of patients entering a hospital wish that their health care providers would consider their spiritual needs as part of their medical care Yet most patients along with their health care professionals struggle to understand how to use this spiritual side in healing Modern healthcare is based upon science and often sees religion as getting in the way of healing However when humans combine our religious and spiritual nature with the science of modern medicine we have the most powerful tool for healing the world has ever known This book dares to explore this very personal aspect of human life that has had very little written about it the private spiritual beliefs that people share with their doctors spiritual advisors and families when they are ill injured or frightened about their health Here are the true stories of how people have used their spiritual side for healing Many will mystify and give us chills *The Lighter Side of Breast Cancer Recovery* Tammy Inc. Miller,2012-10 The Lighter Side of Breast Cancer Recovery Lessons Learned Along the Path to Healing takes you down the path with a woman who has been there but it may not be the path that most people follow From surgeons equipped with clown noses to going through surgery wearing a feather boa Tammy looks at this very serious topic with a lighthearted attitude and some words of encouragement for others facing a difficult journey Medical Pickwick ,1919
