The Hundred Penny Box:

The Hundred Penny Box Sharon Bell Mathis, 2006-10-05 Michael loves his great great aunt Dew even if she can't always remember his name. He especially loves to spend time with her and her beloved hundred penny box listening to stories about each of the hundred years of her life. Michael's mother wants to throw out the battered old box that holds the pennies but Michael understands that the box itself is as important to Aunt Dew as the memories it contains. Winner of a Newbery Honor, this beautiful story will be available in a collector's edition featuring heavy interior stock embossing and silver ink on the cover and a thread sewn binding for added durability. A timeless story of the relationship between a boy and his elderly relative, this new edition is one that families young and old will treasure for years to come. **The Hundred Penny Box by Sharon Bell Mathis** Jean Little, Frances Stanford, Mathis, Sharon Bell, David Stanford, 1999 *The Hundred Penny Box [by] Sharon Bell Mathis* Anne Troy, 1988 Suggests activities to be used in the classroom to accompany the reading of *The Hundred Penny Box* by Sharon Bell Mathis. About the Novel *The Hundred Penny Box* is the Newbery Honor winning story of a boy and his great great aunt Michael. He has a 100 year old great great aunt who keeps an old wooden box full of 100 pennies, one for each year she's been alive. Attached to each penny is a memory of what happened in Michael's aunt's life the year each coin was minted. Born in 1874, her first coin represents the Reconstruction. The 1930 penny represents the death of her husband. Michael enjoys to hear the stories attached to each penny but soon finds that his great great aunt is as old and feeble as the box that carries them. **The Hundred Penny Box** Sharon Bell Mathis, 1986-01 Michael's love for his great great aunt who lives with them leads him to intercede with his mother who wants to toss out all her old things.
