Daniel I Block, 2014-03-27 To many readers the book of Ezekiel is a hopeless riddle However if we took the time to study it we
would discover that despite the strangeness of the man and his utterances this is the most clearly organized of the major
prophetic books If we persisted we would also discover that from a rhetorical perspective this priestly prophet knew his
audience he recognized in Judah's rebellion against YHWH the underlying cause of the divine fury that resulted in the exile of
his people and the fall of Jerusalem to the Babylonians in 586 BCE But he also recognized that YHWH's judgment could not
be the last word Because his covenant was eternal and irrevocable he looked forward to a day of spiritual renewal and
national restoration This is the second of two volumes of Block's essays on the book of Ezekiel The essays in this volume
explore the theme of Kingship in Ezekiel both his assessment of Judah's historical kings and his hope for a restored Davidic
King Prince and the mysterious visions concerning Gog's attack on restored Israel Ezek 38-39 and the new temple 40-48
Block brings to bear decades of study of the book to open up fresh insights on the ancient text *The Illustrated Bible*
