The Images Hardcover:

The Image Daniel J. Boorstin, 1992-09-01 Daniel J. Boorstin's prophetic vision of an America inundated by its own illusions is an essential resource for any reader who wants to distinguish the manifold deceptions of our culture from its few enduring truths. The book that best explains Trump's dominance may well have been published in 1962. In *The Image: A Guide to Pseudo-Events in America*, the historian Daniel J. Boorstin described the image as a medium—a photograph, a movie, a representation of life laid out on pulp or screen that becomes soon enough a habit of mind. The Atlantic Boorstin's book tells us how to see and listen and how to think about what we see and hear. George Will first published in 1962, this wonderfully provocative book introduced the notion of pseudo-events, events such as press conferences and presidential debates which are manufactured solely in order to be reported and the contemporary definition of celebrity as a person who is known for his well-knownness. *The Image* Daniel Joseph Boorstin, 1964 **The Image and Role of the Librarian** Linda S.

Katz, 2003-06-27 Get a unique insight into the image problems librarians face. *The Image and Role of the Librarian* addresses all aspects of professional identity for librarians, including professional roles, cultural images, popular perceptions, and future trends. The book examines historical representations, stereotypes, and popular culture icons and the r **Get the Picture** Bianca Bosker, 2025-04-15 AN INSTANT NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF 2024 BY NPR TIME AND THE ECONOMIST Get the Picture is one of the funniest books I've read. Brilliant. The Washington Post A gripping and often hilarious investigation into the art world. Bosker goes full Tom Wolfe. TIME Funny, whip-smart and gorgeously written. Get the Picture will forever transform the way you see. I loved every word. Suleika Jaouad New York Times bestselling author of *Between Two Kingdoms*. The New York Times bestselling author of *Cork Dork* takes readers on another fascinating, hilarious, and revelatory journey, this time burrowing deep inside the secretive world of art and artists. An award-winning journalist obsessed with obsession, Bianca Bosker's existence was upended when she wandered into the art world and couldn't look away. Intrigued by artists who hyperventilate around their favorite colors and art fiends who max out credit cards to show hunks of metal they think can change the world, Bosker grew fixated on understanding why art matters and how she or any of us could engage with it more deeply. In *Get the Picture*, Bosker throws herself into the nerve center of art and the people who live for it: gallerists, collectors, curators, and of course, artists themselves—the kind who work multiple jobs to afford their studios while scrabbling to get eyes on their art. As she stretches canvases until her fingers blister, talks her way into a list parties full of billionaire collectors, has her face sat on by a nearly naked performance artist, and forces herself to stare at a single sculpture for hours on end while working as a museum security guard, she discovers not only the inner workings of the art canonization machine but also a more expansive way of living. Probing everything from cave paintings to Instagram and from the science of sight to the importance of beauty, as it examines art's role in our culture, our economy, and our hearts, *Get the Picture* is a rollicking adventure that will change the way you see forever.
