The Immortal:

The Immortal Alphonse Daudet, 1900 **The Immortal's Unrequited Bride** Kelli Ireland, 2017-04-01 A love that endures beyond death itself Ethan Kemp is a healer not an assassin But he s found an unexpected home in the Irish stronghold that houses the Assassin s Arcanum men who will kill to protect their Druid brethren Too bad there s a ghost that won t give him peace Centuries in the grave Isib al Cannavan has longed to be reunited with her beloved Finally he s returned to her She d recognize Lachlan anywhere even as an American warlock called Ethan But her path to reuniting with him in the land of the living runs through hell itself and she ll have to take Ethan with her **The Immortal's Wine Store** Malignant, 2020-12-14 A Heavenly God was transmigrated into a different world right after he died After arriving in that world he resides in the body of a handsome young man with a mechanical voice inside his head providing him with missions It also kept on telling him to brew wine every single day The system built a humble store within the territory of the Silver Wing Empire where peak experts roam on a daily basis His first task was to sell wine The patrons thought that winemaster Jiu Shen was not as simple as he seemed to be Even his identity and background were still a mystery to everyone They also thought the adorable and chubby white cat named Ice was just a normal household cat but Jiu Shen knew that it was actually a 10th ranked God Class Glacial Sovereign Tiger Join Jiu Shen on his path on becoming the first ever Wine God **The Immortal Mind** Ervin Laszlo, 2014-10-09 Scientific evidence for the continual presence of consciousness with or without connection to a living organism Examines findings on the survival of consciousness beyond life including near death experiences after death communication and reincarnation Explains how this correlates precisely with cutting edge physics theories on superstrings information fields and energy matrices Reveals how consciousness manifests in living beings to continue its evolution Evidence now points to consciousness existing beyond the brain such as when the brain is temporarily incapacitated as well as to the survival of consciousness after death Conventional science prefers to dismiss these findings because they cannot be accommodated by a materialist view of reality Spirituality and religion embrace the continuity of consciousness and ascribe it to a nonmaterial spirit or soul that is immortal As such spirituality religion and science continually find conflict in their views But what if there truly is no conflict Based on a new scientific paradigm in sync with experience based spirituality Ervin Laszlo and Anthony Peake explore how consciousness is continually present in the cosmos and can exist without connection to a living organism They examine the rapidly growing body of scientific evidence supporting the continuity of consciousness including near death experiences after death communication reincarnation and neurosensory information received in altered states They explain how the persistence of consciousness beyond the demise of the body means that in essence we are not mortal we continue to exist even when our physical existence has come to an end This correlates precisely with cutting edge physics which posits that things in our plane of time and space are not intrinsically real but are manifestations of a hidden dimension where they exist in the form of superstrings information fields

and energy matrices With proof that consciousness is basic to the cosmos and immortal in its deeper nonmanifest realm Laszlo and Peake reveal the purpose of consciousness is to manifest in living beings in order to continuously evolve **The Immortal Lure** Cale Young Rice,1911 **The Upanishads** ,2004-01-29 An Upanisad is a teaching session with a guru and these thirteen texts the Principal Upanisads form a series of philosophical discourses between teacher and student that question the inner meaning of the world Composed from around the eighth century BCE the Upanisads have been central to the development of Hinduism and explore the central doctrines of rebirth karma overcoming death and achieving detachment equilibrium and spiritual bliss Speaking to the reader in direct unadorned prose or lucid verse they embody humanity s perennial search for truth and knowledge **The Brihad Aranyaka Upanishad** Edward Röer,1856 **Plato, with an English Translation: Euthyphro.
