The Implementation Of Quotas Latin American Experiences International Idea Quota Reports Series:

Women, Quotas and Politics Drude Dahlerup, 2013-05-13 This is the first world wide comparative study of the controversial new trends of gender quotas now emerging in global politics presenting a comprehensive overview of changes in women s parliamentary representation across the world This is important reading for all those working to increase women s influence in politics because it scrutinizes under what circumstances gender quotas do increase women s representation and why they sometimes fail These distinguished international scholars also show how gender balance in politics has become important to a nation s international image and why quotas are being introduced in many post conflict countries They present key case studies of Afghanistan Iraq Argentina Sweden South Africa Belgium covering almost all major regions of the world Latin America Africa the Arab world South Asia the Balkans The Nordic countries and Europe New Zealand Australia and the USA and Rwanda which in 2003 unexpectedly surpassed Sweden as the number one country in the world in terms of women s parliamentary representation Using a comparative perspective this book contains analyses of the discursive controversies around quotas it gives an overview over various types of quotas in use from candidate quotas to reserved seat systems and it throws light over the troublesome implementation process When do gender quotas lead to actual increase in the number of women parliament When are quotas merely a symbolic gesture What does it imply to be elected as a quota woman Tackling these and many more key questions this is a major new contribution to the field Making an important contribution to our knowledge of gender politics worldwide this book will be of interest to NGOs students and scholars of democracy policy making comparative politics and gender studies

The Implementation of Quotas ,2003 Findings from the 2003 workshop held by International IDEA in Lima Peru to discuss the implementation of quotas in Latin America are examined in this report Aiming to increase awareness of women s political representation as well as their involvement in decision making bodies these findings explore the use of gender quotas in Bolivia Costa Rica Mexico and Peru When where and how gender quotas have been successfully implemented is examined as well as the challenges controversies and consequences of enforcement Strategies employed for gender equality in government in other non Latin American countries with different political systems are also discussed

Quebec Women and Legislative Representation Manon Tremblay, 2010-07-01 Quebec women have had the right to vote and run for office in provincial and federal forums for at least six decades yet they continue to occupy a minority of seats in Quebec s National Assembly and in Canada s House of Commons and Senate To explain this situation *Women and Parliamentary Representation in Quebec* examines women s engagement in politics from 1791 to the present It begins by tracing the path that led to women achieving the right to vote and run for office and then draws on statistics and interviews with women senators and members of Parliament to complete an in depth portrait of Quebec women s under representation and its main causes political parties and the voting system This innovative account not only documents the significant democratic deficit in Canada s parliamentary systems it also outlines strategies to improve women

s access to legislative representation in Canada and elsewhere **The Implementation of Quotas** Julie Ballington,2004
This report examines women s political representation on the African continent and shows how quotas have contributed to increasing their access to political power The documented evidence from Africa is very encouraging more than 20 countries on the continent either have legislated quotas or have political parties that have adopted them voluntarily This report details the different quota types that are being implemented in different political contexts in 17 countries including the Democratic Republic of the Congo Egypt Morocco Mozambique Namibia Rwanda Senegal South Africa Tanzania and Uganda

Women's Representation in African Politics Zainab Monisola Olaitan,2024-12-11 Does the election of more and more women into political offices mean that women s interests will be better protected This question forms the background upon which this book is written as it forms a timely intervention concerning the clamour for increased women s representation in African politics The book examines the relationship between gender quotas and gender focused legislative policy outcomes in the national Parliaments of South Africa and Botswana By investigating the utility of gender quotas to ensure the substantive representation of women in African politics the book engages the assumption that increased women s political participation will automatically improve the qualitative well being of African women The book is intended for both academic and non academic audiences with differing purposes It contributes to scholarly debates on the transcending relevance of quotas beyond numbers For non academics it provides opportunities to engage gender quotas as a policy tool to ensure the qualitative well being of African women **The Implementation of Quotas** ,2003 Findings from the 2003 workshop held by International IDEA in Lima Peru to discuss the implementation of quotas in Latin America are examined in this report Aiming to increase awareness of women s political representation as well as their involvement in decision making bodies these findings explore the use of gender quotas in Bolivia Costa Rica Mexico and Peru When where and how gender quotas have been successfully implemented is examined as well as the challenges controversies and consequences of enforcement Strategies employed for gender equality in government in other non Latin American countries with different political systems are also discussed Women, Gender, and Politics Mona Lena Krook,Sarah Childs,2010 Six areas of research of the subjects of women gender and politics are debated social movements political parties elections political representation public policy and the state *Québécoises et représentation parlementaire* Manon Tremblay,2024-05-29T00:00:00-04:00 Cet ouvrage traite d une id e et d un probl me la repr sentation politique qui constitue une id e charni re aux sciences politiques une id e toutefois vici e par un probl me au fondement de sa conceptualisation m me soit celui de l exclusion des femmes de la politique *The Micro-politics of Microcredit* Mohammad Jasim Uddin,2015-05-01 Microcredit has been seen in recent decades as having great potential for aiding development in poor developing countries with Bangladesh being one of the countries which has pioneered microcredit and implemented it most widely This book based on extensive original research explores how microcredit works in practice and assesses its effectiveness It discusses how microcredit usually channelled

through women is often passed to the men of the family a practice disapproved of by some but regarded as acceptable by borrowers who have a communal approach to debt rather than viewing debt as something held by single individuals The book demonstrates how the rules around microcredit are often seen as irksome by the borrowers how lenders often charge high rates of interest and work primarily to preserve their institutions thereby going against the spirit of the microcredit movement and how borrowers often end up on a downward spiral deeper and deeper in debt Overall the book argues that although microcredit does much good it also has many drawbacks
