The Insiders Selden Rodman, 1960 **The Arts and the Christian Imagination** Clyde Kilby, 2017-01-01

Dr Clyde Kilby was known to many as an early long and effective champion of C S Lewis and the founder of the Marion E Wade Center at Wheaton College IL for the study of the works of Lewis J R R Tolkien and other members of the Inklings Less known is that Dr Kilby was also an apologist in his time for arts aesthetics and beauty particularly among Evangelicals This collection offers a sampler of the work of Dr Clyde Kilby on these themes He writes reflections under four headings Christianity Art and Aesthetics The Vocation of the Artist Faith and the Role of the Imagination and Poetry Literature and the Imagination With a unique voice Kilby writes from a specific literary and philosophical context that relates art and aesthetics with beauty and all that is embodied in the classics His work is particularly relevant today as these topics are being embraced by Protestants Evangelicals and indeed people of faith from many different traditions A deeply engaging book for readers who want to look more closely at themes of art aesthetics beauty and literature in the context of faith What a great gift to read the collected writings of this gentle brilliant visionary teacher and friend I can say like so many others it was Clyde Kilby who set my course in life Like the dandelions he tended all winter we flourished under his wisdom and care Now his remarkable words on the page act as a kind of resurrection We can hear his voice again and bless his memory Luci Shaw Poet Writer in Residence Regent College Author of Thumbprint in the Clay The Arts and the Christian Imagination is a landmark book Its scope is breathtaking bringing together in one place well known signature essays by Clyde Kilby and unknown but equally excellent ones The essays in this book masterfully edited sum up what a whole era wanted to say about literature and art in themselves and in relation to the Christian Faith Leland Ryken Professor Emeritus English Wheaton College Author of The Christian Imagination It was my great privilege to take several classes with Clyde Kilby when I was a student at Wheaton Now a new generation and readers far from the Chicago suburbs have the chance to experience the sparkle wit aesthetic insight and deep Christian commitment that made Kilby such an unusually captivating teacher Even without his hobbit like presence his words remain a true inspiration Mark A Noll Author of Jesus Christ and the Life of the Mind Francis A McAnaney Professor of History University of Notre Dame Thousands owe to this giant of Wheaton their ability to hear literary voices with Gospel tuned ears This sampler of his hugely influential writing will make the reader profoundly grateful for a man whose legacy is beyond measure Jeremy Begbie Thomas A Langford Research Professor of Theology Duke Divinity School Director of Duke Initiatives in Theology and the Arts Samuel Johnson said people need to be reminded more often than they need to be instructed Dr Kilby reminds us of what it means to be made in the image of God and how art in our creation and reception of it illuminates articulates and glorifies that original great mimesis With wisdom and relevance this collection provides a touchstone for the spiritual thinker in its reconciliation of art s true and beautiful purpose with the unspeakable inimitable mystery of God Dr Carolyn Weber Professor and speaker Award winning author of Surprised by

Oxford Holy is the Day To read the reflections of C S Kilby on art and the Christian imagination is to engage one of the most pertinently constructive interior critiques of American evangelical culture in the 1960 s His biblically formed imagination saw good and truth in what seemed to many of his generation astonishing places French Catholic philosophers agnostic novelists psychic experimentalists off beat artists mathematicians mentally disturbed poets and he asked fellow evangelicals comfortably certain of the categories of their own perception to examine whether or not some alien accounts did not square better with a biblical view of the human person than their own rigidities To read these essays is to hear again his distinctively gentle voice in the classroom and once again to gather many pearls of wisdom David Lyle Jeffrey Distinguished Professor of Literature and the Humanities Honors Program Senior Fellow Baylor Institute for Studies in Religion Baylor University As I read Dr Kilby s words in this book Love not duty sends the artist forth I recalled my class with him fifty years ago I can still almost hear his voice as he read from Wordsworth what we have loved others will love and we will show them how That line perfectly describes Clyde Kilby s life and work As his student I love what my dear Professor of English literature loved I treasure this collection of his essays on Arts and Christian Imagination G Walter Hansen Professor Emeritus Fuller Seminary Co author of Through Your Eyes Dialogues on the Paintings of Bruce Herman **The Fate Of A Gesture** Carter Ratcliff,2019-07-09 I am indebted first to Thomas B Hess and James Fitzsimmons the editors of Artnews and Art International who encouraged me to publish the essays and reviews that led years later to this book I am equally grateful for the encouragement I have received from Elizabeth C Baker the editor of Art in America **Annual Bibliography of English Language and Literature** John Horden,1973 *Boston Modern* Judith Arlene Bookbinder,2005 A fresh incisive study of the expressionist approach to modern art in Boston Encyclopedia of American Literature Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S *The Image of Love* Clemens Ernst Benda,1961 Catalogue J.B.
