Burkitt, 1925 Prehistoric Hunter-Gatherers of the High Plains and Rockies Marcel Kornfeld, George C Frison, Mary Lou Larson, 2016-06-16 A comprehensive revision of the classic prehistory of the North American high plains **Prehistory** Derek Arthur Roe, 1970

Milestones in Archaeology Tim Murray, 2007-04-13 This engaging work uses key discoveries events people techniques and controversies to give the general reader a rich history of archaeology from its beginnings in the 16th century to the present The history of archaeology leads from the musty collections of dilettante antiquarians to high tech science The book identifies three major developmental periods Birth of Archaeology 16th 18th centuries Archaeology of Origins and Empires 19th century and World Archaeology 20th century An introductory essay acquaints the reader with the essence of the science for each period The short entries comprising the balance of the book expand on the themes introduced in the essays Organized around personalities techniques controversies and conflicts the encyclopedia brings to life the history of archaeology It broadens the general reader s knowledge by detailing the professional significance of widely known discoveries while introducing to wider knowledge obscure but important moments in archaeology Archaeology is replete with the visionaries and swashbucklers of popular myth it is also filled with careful and dedicated scientists

Continuity and Change in the Native American Village Robert A. Cook, 2017-11-02 Two common questions asked in archaeological investigations are where did a particular culture come from and which living cultures is it related to In this book Robert A Cook brings a theoretically and methodologically holistic perspective to his study on the origins and continuity of Native American villages in the North American Midcontinent He shows that to affiliate archaeological remains with descendant communities fully we need to unaffiliate some of our well established archaeological constructs Cook demonstrates how and why Native American villages formed and responded to events such as migration environment and agricultural developments He focuses on the big picture of cultural relatedness over broad regions and the amount of social detail that can be gleaned from archaeological and biological data as well as oral histories
