The Illustrated Mum:

The Illustrated Mum Jacqueline Wilson, 2009-03-25 Covered from head to toe with one of a kind tattoos Marigold is the brightest most beautiful mother in the world At least that s what Dolphin thinks she just wishes Marigold wouldn t stay out quite so late or have mood spells every now and again Dolphin s older sister Star loves Marigold too but she s tired of looking after her So when Star s dad shows up out of the blue and offers to let the girls stay with him Star jumps at the opportunity But Dolphin can t bear to leave Marigold alone Now it s just the two of them and Dolphin is about to be in over her head

The Illustrated Mum Audio CD(JACQUELINE WILSON)(□ □□) Jacqueline Wilson, 2002-11-01 Marigold s daughter thinks she is the most beautiful mum in the world but she wishes she wouldn t spend so much money and stay out all night it s scary

English Jacqueline Wilson, 2003 Dolphin and Star s mother Marigold is amusing and fun to be with but she is also depressive unpredictable and unreliable often choosing to spend her nights out partying She is also covered in tattoos from head to foot Dolphin and Star love their mother but is she the right person to look after them This deals with real life issues affecting the lives of many children including bullying family expectations growing up with one parent and facing adulthood

The Illustrated Mum; Secrets; Vicky Angel Nick Sharratt, 2004-10 Dolphin adores her mother she s got wonderful clothes bright hair and vivid tattoos all over her body She definitely lives a colourful life Dolphin s older sister Star also loves her but is beginning to wonder if staying with a mum whose temper can be as flashy as her body art is the best thing for the girls The story of Dolphin s changing relationships with her mother her sister a new friend at school and a newly discovered father is told with all the gentle humour and strikingly true emotion that we have come to expect from Transworld s top children s author

The Illustrated Mum Jacqueline A Wilson, MS, RN, Jacqueline Wilson, 2005-01-25 *Jacqueline Wilson* Lucy Pearson, 2015-11-23 Over the last 20 years Jacqueline Wilson has published well over 100 titles and has become firmly established in the landscape of Children s Literature She has written for all ages from picture books for young readers to young adult fiction and tackles a wide variety of controversial topics such as child abuse mental illness and bereavement Although she has received some criticism for presenting difficult and seemingly adult topics to children she remains overwhelmingly popular among her audience and has won numerous prizes selected by children such as the Smarties Book Prize This collection of newly commissioned essays explores Wilson s literature from all angles The essays cover not only the content and themes of Wilson s writing but also her success as a publishing phenomenon and the branding of her books Issues of gender roles and child carer relationships are examined alongside Wilson s writing style and use of techniques such as the unreliable narrator The book also features an interview with Jacqueline Wilson herself where she discusses the challenges of writing social realism for young readers and how her writing has changed over her lengthy career
