

A modern classic that probes the role of
education in man's moral development

C.S. LEWIS

THE
ABOLITION
OF
MAN

The Image Of Man In C S Lewis

James Como

The Image Of Man In C S Lewis:

The Image of Man in C. S. Lewis William Luther White, 2009-01-12 It is in the role of remythologizer that C S Lewis has been most misunderstood and it is there that his importance lies His was the poetic intensity that saw all hell swallowed by a butterfly with no harm done Of his creation are allegories and myth that express very real elements of life behind understanding or capture for more than a moment White s 1969 study is the first to examine the entire Lewis corpus and the first to offer such an extensive bibliography To these invaluable aids for Lewis scholars White adds his own training in theology and literary criticism and a sensitivity to the complexities of the artist and the religious man His interpretation of the intricate skeins of belief to be found in Lewis work make this study as significant to the theological as to the literary world The Abolition of Man: C.S. Lewis's Classic Essay on Objective Morality Clive Staples Lewis, Michael

Ward, 2017-05-03 C S Lewis sets out to persuade his audience of the importance and relevance of universal values such as courage and honor in contemporary society This critical edition prepared by Michael Ward helps readers get the most out of Lewis s work with an introduction placing the book in the context of his life and times a fully annotated version of the text a commentary on key passages and a set of questions for group discussion or individual reflection *C. S. Lewis* James Como, 2019-01-17 Beloved by children and adults worldwide the writings of C S Lewis have a broad and enduring appeal Although he is best known for the iconic Chronicles of Narnia series C S Lewis was actually a man of many literary parts Already well known as a scholar in the thirties he became a famous broadcaster during World War Two and wrote in many genres including satire *The Screwtape Letters* science fiction *Perelandra* a novel *Till We Have Faces* and many other books on Christian belief such as *Mere Christianity* and *Miracles* His few sermons remain touchstones of their type In addition to these Lewis wrote hundreds of poems and articles on social and cultural issues many books and articles in his field of literary criticism and history and thousands of letters At Oxford University he became a charismatic lecturer and conversationalist Taken together his writings have engaged and influenced often very deeply millions of readers Now Lewis societies television documentaries movies radio plays and theatrical treatments of his work and life have become common and he is frequently quoted by journalists critics and public thinkers This *Very Short Introduction* delves into the vast corpus of C S Lewis work discussing its core themes and lasting appeal As James Como shows C S Lewis life is just as interesting as his work A complex man he came to his knowledge beliefs and wisdom only after much tortuous soul searching and many painful events Moving chronologically through Lewis life Como provides throughout a picture of the whole man his work and his enduring legacy ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **J.R.R. Tolkien's Sanctifying Myth** Bradley J. Birzer, 2023-08-29 With a new introduction by the author Peter

Jackson's film version of J.R.R. Tolkien's Lord of the Rings trilogy and the accompanying Rings-related paraphernalia and publicity has played a unique role in the dissemination of Tolkien's imaginative creation to the masses. Yet for most readers and viewers the underlying meaning of Middle-earth has remained obscure. Bradley Birzer has remedied that with this fresh study. In J.R.R. Tolkien's Sanctifying Myth: Understanding Middle-earth, Birzer reveals the surprisingly specific religious symbolism that permeates Tolkien's Middle-earth legendarium. He also explores the social and political views that motivated the Oxford don, ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T.S. Eliot. Dante and C.S. Lewis. Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us everyday: a world that transcends the colorless disenchantment of our postmodern age.

Essential C. S. Lewis Clive Staples Lewis, 1996. A selection of Lewis' work including essays, letters, poems, and texts of *The Lion, the Witch, and the Wardrobe*, *Perelandra*, and *Abolition of Man*. **Created in God's Image** Anthony A. Hoekema, 1994-09-06. According to Scripture, humankind was created in the image of God. Hoekema discusses the implications of this theme, devoting several chapters to the biblical teaching on God's image, the teaching of philosophers and theologians through the ages, and his own theological analysis. Suitable for seminary-level anthropology courses yet accessible to educated laypeople. Extensive bibliography, fully indexed. **The Story of the Cosmos** Daniel Ray, Paul Gould, 2019-07-16. Unraveling the Mysteries of the Universe: What do you see when you gaze at the night sky? Do you contemplate the stars as the random result of an evolutionary process? Or do you marvel over them as a testament of the Creator's glory? Modern science has popularized a view of the cosmos that suggests there is no need for God and denies any evidence of His existence. But *The Story of the Cosmos* provides a different and fascinating perspective. It points to a God who makes Himself known in the wonder and beauty of His creation. This compilation from respected scholars and experts spans topics from *The Mathematical Creation and the Image of God* to *The Glorious Dance of Binary Stars* and *God's Invisible Attributes*. Black Holes. Contributors include Dr. William Lane Craig, Dr. Guillermo Gonzalez, Dr. Melissa Cain Travis, and Dr. Michael Ward. Come take a deeper look at the universe and explore the traces of God's glory in the latest discoveries of astronomy, science, literature, and art. **"The Eyes of Your Heart"** Alison Searle, 2009-04-01. This book develops a theory of imagining biblically that explores the contributions Scripture can make to a new way of thinking about creativity, reading, interpretation, and criticism. The methodology employed in order to demonstrate this thesis consists of a theoretical exploration of current theological understandings of the imagination and their implications within the fields of literary studies. The biblical texts locate the function generally defined as imagination in the heart, the eyes of your heart. Ephesians 1:18. This book assesses what the biblical text as a literary and religious document contributes to the concept of imagination. Due to the eclectic nature of the individual books that comprise the scriptural canon, the text is considered primarily in terms of its overarching metanarrative, language, genres, and theological propositions. Tracing the various trajectories, the biblical text opens up and

the ways in which they intersect with and modify post Romantic assumptions about the imagination reconfigures traditional definitions of this concept A Calvinistic evangelical hermeneutic is deployed to establish a theoretical concept of what it means to imagine biblically This is further substantiated by a comparative study of authors ranging from the seventeenth to the twentieth centuries John Bunyan Samuel Rutherford Jane Austen Charlotte Bronte and C S Lewis Each author s chapter incorporates a close reading of a key text which concretely examines various trajectories of imagining biblically including creativity faith morals narrative Romanticism and eschatology The conclusion returns to the biblical text and draws these elements together with a definition of the concept of imagining biblically and its implications for literary studies **Jack**

Lewis and His American Cousin, Nat Hawthorne D. G. Kehl, 2013-03-29 When he was a student at Oxford University C S Lewis wrote to a friend expressing his great admiration of and enthusiasm for the novels of Nathaniel Hawthorne particularly The House of the Seven Gables and Transformation British title of The Marble Faun This study examines the parallels between these two kindred spirits and their works focusing on their similar worldviews their personal backgrounds and lifestyles and the Ultimates they both pondered It discusses common themes in their works such as myth scientism and the great power of blackness Their respective attitudes toward these issues and others such as faith repentance heaven and hell confession church attendance the clergy and Puritanism are strikingly similar Considerable attention is given to companion pieces of the two writers with discussion of the so called Fortunate Fall in The Marble Faun and Perelandra veil imagery in The Minister s Black Veil The Blithedale Romance and Till We Have Faces influence of Bunyan s allegory on The Pilgrim s Regress and The Celestial Railroad and multiform love in The Four Loves and The House of the Seven Gables Examination of such affinities between these two writers and their works provides mutual illumination and enhanced appreciation of each
