IMMORTALITY DRUG!**

The Immortality Drug

Paul U. Unschuld

The Immortality Drug:

The Immortality Trigger Douglas Misquita, 1945 Allied paratroopers raid a secret Nazi research facility The operation is reported as a success But the lone survivor Benjamin Ezra knows otherwise 2014 A drug lord El Fantasma threatens to plunge Colombia into an era of bloody drug wars DEA Country Attach Zachary Mason is in charge of a covert operation to remove El Fantasma with the help of a vigilante El Angel and a retired undercover agent Raymond Garrett In Naples INTERPOL agent Sabina Wytchoff is investigating the death of her parents when the Wytchoff family s association with an ancient cabal comes under investigation After the events of *The Apocalypse Trigger* Luc Fortesque is scouring the world for the man who tested experimental drugs on him Wei Ling works for a shadow Transhumanist faction within China s State Council developing drugs that will enhance human longevity Their paths will converge violently and conclude the mission that began in 1945

The Key to Kidasuna Jacob Sockness, *The Immortality Drug* George Buford, 2005-12-15 What is health worth What is beauty worth What is life worth And when does life stop being worth the effort The detectives of the special operations squad find themselves faced with these questions as they investigate one of their strangest cases ever It begins with a routine surveillance of the local Mafia godfather but quickly gets strange when they realize that after years of hostility he s suddenly become the best of buddies with the local godfather of Chinese organized crime A third player enters the scene he turns out to be a plastic surgeon The detectives at first suspect that they re involved in some sort of insurance fraud but it develops that they re cooperating in a health scam that claims to be able to keep people young forever in effect they re claiming to have produced an immortality drug One of the detectives Dan Martin is divorced His ex wife comes to town and they get together to discuss some old investments held over from their marriage He is uninvolved and her second husband died two years earlier so the old attraction between them starts to come out and they become romantically involved Then Martin discovers the true reason she came to town she has an advanced case of cancer and she has enrolled in an experimental treatment program at a local hospital She more than anyone is in need of an immortality drug As the detectives investigate the health scam they begin to build a case by slowly fitting together the pieces of the puzzle The strangest piece of all is that the gangsters and the doctors who work for them may be using stolen human organs to create a drug to keep people young By working hard and being smart enough to take advantage of good luck the detectives finally get enough evidence to launch a raid against everyone involved in the scam That s when they discover the truth behind the immortality drug A few days later Martin s ex wife learns the results of her cancer treatment and both she and Martin have to deal with the consequences

The Literati Path to Immortality: The Alchemical Teachings of Lu Xixing Ilia Mozias, 2020 The Literati Path explores the life and teachings of the Ming author and alchemist Lu Xixing 1520 1601 It begins by examining his biography religious community alchemical doctrine and methods of practice Lu was special in that he embodied the literati tradition of self cultivation engaging in the alchemical arts without ever leaving his habitual life He did not abandon his

family was never ordained and had no connection to Daoist or other institutions He learned internal alchemy from books and through spirit writing seances where he met L Dongbin and other immortals Next the work expounds the cosmological doctrines at the foundation of internal alchemy including those found in the Yijing and the Cantong qi and outlines the universal ebb and flow of yin and yang as the basis of the immortal elixir It moves on to describe just how the practice serves to overcome destiny modeling techniques on biological gestation and creating a new being deep within It explains major alchemical concepts as applied by Lu Xixing and systematically describes his path to immortality all the while questioning the validity of his reputation as a sexual alchemist Shedding fascinating new light on the religious life of Ming literati and providing a first access to a unique take on internal alchemy in late imperial China The Literati Path to Immortality is a must for anyone interested in traditional Chinese religion and culture

Medicine in China Paul U. Unschuld, 2010-06 In the first comprehensive and analytical study of therapeutic concepts and practices in China Paul Unschuld traced the history of documented health care from its earliest extant records to present developments This edition is updated with a new preface which details the immense ideological intersections between Chinese and European medicines in the past 25 years

Smith and Williams' Introduction to the Principles of Drug Design and Action, Third Edition H. John Smith, Hywel Williams, 1998-05-15 The third edition of this popular textbook builds on the excellent foundations laid down by the earlier editions It provides a thorough introduction to the principles of rational drug design adopting a from the bench to the market place approach As knowledge of biological systems has expanded and the number of techniques available for exploring and visualizing their components has increased it has become possible to design drugs specifically for a given target This unique insight has revolutionized the process of drug development for specific disease states and in this textbook both novel and established approaches are incorporated The introductory text explains the principles of drug design using real examples These illustrate the discovery of lead compounds and their manipulation to produce non toxic drug candidates that will be successfully metabolized to interact with target receptors in a predicted fashion In addition to fully updating the contents of the previous edition the Editor has included important new sections on the pharmacological consequences of drug chirality agonists and antagonists of neurotransmitters and the process involved in proceeding from program sanction to clinical trials
