The Imperfect Union

Paul Finkelman

The Imperfect Union:

The Imperfect Union Peter E. Quint, 2012-09-17 In the mid summer of 1989 the German Democratic Republic known as the GDR or East Germany was an autocratic state led by an entrenched Communist Party A loyal member of the Warsaw Pact it was a counterpart of the Federal Republic of Germany West Germany which it confronted with a mixture of hostility and grudging accommodation across the divide created by the Cold War Over the following year and a half dramatic changes occurred in the political system of East Germany and culminated in the GDR's accession to the Federal Republic itself Yet the end of Germany's division evoked its own new and very bitter constitutional problems The Imperfect Union discusses these issues and shows that they are at the core of a great event of political economic and social history Part I analyzes the constitutional history of eastern Germany from 1945 through the constitutional changes of 1989 1990 and beyond to the constitutions of the re-created east German states Part II analyzes the Unification Treaty and the numerous problems arising from it the fate of expropriated property on unification the unification of the disparate eastern and western abortion regimes the transformation of East German institutions such as the civil service the universities and the judiciary prosecution of former GDR leaders and officials the rehabilitation and compensation of GDR victims and the issues raised by the fateful legacy of the files of the East German secret police Part III examines the external aspects of unification The Imperfect Union John Hutchinson, 1970 *Mobsters, Unions, and Feds* James B Jacobs, 2006-01-01 This worthy successor to Gotham Unbound is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions Publishers Weekly Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States Yet the government the AFL CIO and the civil liberties community all but ignored the situation for most of the twentieth century Since 1975 however the FBI Department of Justice and the federal judiciary have relentlessly battled against labor racketeering even in some of the nation's most powerful unions *Mobsters Unions and Feds* is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia James B Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement then consolidated their power through patronage fraud and violence and finally used this power to become part of the political and economic power structure of twentieth century urban America Since FBI Director J Edgar Hoover's death in 1972 federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization RICO statute to impose long term court supervised remedial trusteeships on mobbed up unions There have been some impressive victories including substantial progress toward liberating the four most racketeer ridden national unions from the grip of organized crime but victory cannot yet be claimed A must read book for anyone interested in the problem of union corruption and what to do about it *Industrial and Labor Relations Review* *An Imperfect Union* Paul Finkelman, 2000 Originally

published Chapel Hill N C University of North Carolina Press c1981 *Imperfect Union* Steve Inskeep,2020-01-14 Steve Inskeep tells the riveting story of John and Jessie Fr mont the husband and wife team who in the 1800s were instrumental in the westward expansion of the United States and thus became America s first great political couple John C Fr mont one of the United States s leading explorers of the nineteenth century was relatively unknown in 1842 when he commanded the first of his expeditions to the uncharted West But in only a few years he was one of the most acclaimed people of the age known as a wilderness explorer bestselling writer gallant army officer and latter day conquistador who in 1846 began the United States s takeover of California from Mexico He was not even 40 years old when Americans began naming mountains and towns after him He had perfect timing exploring the West just as it captured the nation s attention But the most important factor in his fame may have been the person who made it all possible his wife Jessie Benton Fr mont Jessie the daughter of a United States senator who was deeply involved in the West provided her husband with entr e to the highest levels of government and media and his career reached new heights only a few months after their elopement During a time when women were allowed to make few choices for themselves Jessie who herself aspired to roles in exploration and politics threw her skill and passion into promoting her husband She worked to carefully edit and publicize his accounts of his travels attracted talented young men to his circle and lashed out at his enemies She became her husband s political adviser as well as a power player in her own right In 1856 the famous couple strategized as John became the first ever presidential nominee of the newly established Republican Party With rare detail and in consummate style Steve Inskeep tells the story of a couple whose joint ambitions and talents intertwined with those of the nascent United States itself Taking advantage of expanding news media aided by an increasingly literate public the two linked their names to the three great national movements of the time westward settlement women s rights and opposition to slavery Together John and Jessie Fr mont took parts in events that defined the country and gave rise to a new more global America Theirs is a surprisingly modern tale of ambition and fame they lived in a time of social and technological disruption and divisive politics that foreshadowed our own In *Imperfect Union* as Inskeep navigates these deeply transformative years through Jessie and John s own union he reveals how the Fr monts adventures amount to nothing less than a tour of the early American soul **Imperfect Union** Paul Finkelman,2000

Uniting the Kingdom? Alexander Grant,Keith Stringer,2002-11 A group of Britain s most prestigious historians assemble to explore the formation of the UK its history and its identity Traditional regional and chronological frontiers are broken down as mediev alists modernists and early modernists debate *There Is Power in a Union* Philip Dray,2011-09-20 From the nineteenth century textile mills of Lowell Massachusetts to the triumph of unions in the twentieth century and their waning influence today the contest between labor and capital for the American bounty has shaped our national experience In this stirring new history Philip Dray shows us the vital accomplishments of organized labor and illuminates its central role in our social political economic and cultural evolution His epic character driven narrative not only restores to our collective

memory the indelible story of American labor it also demonstrates the importance of the fight for fairness and economic democracy and why that effort remains so urgent today

Out in the Union Miriam Frank, 2014-06-13 *Out in the Union* tells the continuous story of queer American workers from the mid 1960s through 2013 Miriam Frank shrewdly chronicles the evolution of labor politics with queer activism and identity formation showing how unions began affirming the rights of lesbian gay bisexual and transgender workers in the 1970s and 1980s She documents coming out on the job and in the union as well as issues of discrimination and harassment and the creation of alliances between unions and LGBT communities Featuring in depth interviews with LGBT and labor activists Frank provides an inclusive history of the convergence of labor and LGBT interests She carefully details how queer caucuses in local unions introduced domestic partner benefits and union based AIDS education for health care workers innovations that have been influential across the U S workforce *Out in the Union* also examines organizing drives at queer workplaces campaigns for marriage equality and other gay civil rights issues to show the enduring power of LGBT workers

State of the Union Nelson Lichtenstein, 2013-08-25 In a fresh and timely reinterpretation Nelson Lichtenstein examines how trade unionism has waxed and waned in the nation s political and moral imagination among both devoted partisans and intransigent foes From the steel foundry to the burger grill from Woodrow Wilson to John Sweeney from Homestead to Pittston Lichtenstein weaves together a compelling matrix of ideas stories strikes laws and people in a streamlined narrative of work and labor in the twentieth century The labor question became a burning issue during the Progressive Era because its solution seemed essential to the survival of American democracy itself Beginning there Lichtenstein takes us all the way to the organizing fever of contemporary Los Angeles where the labor movement stands at the center of the effort to transform millions of new immigrants into alert citizen unionists He offers an expansive survey of labor s upsurge during the 1930s when the New Deal put a white male version of industrial democracy at the heart of U S political culture He debunks the myth of a postwar management labor accord by showing that there was at most a limited unstable truce Lichtenstein argues that the ideas that had once sustained solidarity and citizenship in the world of work underwent a radical transformation when the rights centered social movements of the 1960s and 1970s captured the nation s moral imagination The labor movement was therefore tragically unprepared for the years of Reagan and Clinton although technological change and a new era of global economics battered the unions their real failure was one of ideas and political will Throughout Lichtenstein argues that labor s most important function in theory if not always in practice has been the vitalization of a democratic ethos at work and in the larger society To the extent that the unions fuse their purpose with that impulse they can once again become central to the fate of the republic *State of the Union* is an incisive history that tells the story of one of America s defining aspirations This edition includes a new preface in which Lichtenstein engages with many of those who have offered commentary on *State of the Union* and evaluates the historical literature that has emerged in the decade since the book s initial publication He also brings his narrative into the current

moment with a final chapter Obama s America Liberalism without Unions

The Imperfect Union Introduction

In today's digital age, the availability of The Imperfect Union books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Imperfect Union books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Imperfect Union books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Imperfect Union versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Imperfect Union books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Imperfect Union books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Imperfect Union books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Imperfect Union books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Imperfect Union books and manuals for download and embark on your journey of knowledge?

FAQs About The Imperfect Union Books

1. Where can I buy The Imperfect Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
