Inspirational Writings of Robert H. Schuller, Second Series Robert H. Schuller,1991-09 **The Church Must Grow or Perish** Mark T. Mulder,Gerardo Marti,2025-04-01 To fully understand American Christianity it s essential to understand Robert Schuller The Church Must Grow or Perish Robert H Schuller and the Business of American Christianity examines Schuller s indelible imprint on the American church and how he developed a model of ministry both lauded and critiqued that transformed Christian life and community across this country Schuller s story is the starting point for powerful trends that continue to shape much of American religion today televangelism seeker sensitive outreach megachurches the suburbanization of white Christianity pastoral entrepreneurship and market oriented Christianity in pursuit of growth Authors Mark T Mulder and Gerardo Mart explore Schuller s drive to develop a theology a persona and a set of practices that he believed were necessary to keep Christianity vibrant long into the future They trace Schuller s career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher one who believed that in order for the church to thrive pastoral leaders needed to borrow from the best practices of big business including the entertainment industry This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity **Inspirational Writings of Catherine Marshall** Catherine Marshall,1991-09 **The Glass Church** Mark T. Mulder,Gerardo Martí,2020-04-17 For most of his life the megachurch ministry of Robert H Schuller in Orange County California displayed an apparent strength that betrayed none of the fractures that lay below the success

oriented surface Yet when tested and stressed in the late 2000s the ecclesial structure s accumulated fragility proved to be catastrophic Drawing on extensive data gathered from archives interviews and ethnographic observation The Glass Church examines the spectacular collapse of The Crystal Cathedral to better understand both the strength and fragility of Schuller s ministry The apparent success of the ministry obscured the many tensions that often threatened its future Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller s Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital The Glass Church demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements
