*Curriculum Development for Students with Mild Disabilities* Carroll J. Jones, 2010

Many teachers of students with mild disabilities experience difficulty writing IEPs and they lack a foundation in the regular education curriculum of academic skills and sequences associated with each grade level

This book was designed to provide this foundation

Presented in the form of scope and sequence charts that can be used as objectives for the State Frameworks goals and benchmarks this resource assists in preparing IEPs including the new process of identification of children with disabilities through their responses to intervention RTI

An additional focus is on the impact of federal laws IDEA and NCLB on the curriculum and assessment in schools today

The book has been reorganized into ten chapters including

- historical perspectives
- early childhood special education curricula
- oral expression curricula
- reading and listening curricula
- written expression curricula
- mathematics curricula
- educational technology curricula
- K-12 social and self competence curricula
- science curricula
- and evaluation reports
- case studies

Appendix The scope and sequence charts were modified to include current national education standards and benchmarks and the skills in each of the academic areas that require annual state assessment

These charts will assist teachers in modifying the general education curriculum for students

with mild disabilities and to write complete Individual Education Programs using age appropriate and developmentally appropriate teaching and assessment materials Chapter summaries included for review purposes also serve as selective and motivational reading With special education teachers in short supply and the demands on their time so great this book will provide a valuable resource for cutting the clutter and moving to the heart of the teaching process determining what skills students need to move effectively to the next level     End Peer Cruelty, Build Empathy Michele Borba, 2018-04-18 Evidence based bullying prevention principles policies and practices to reduce peer cruelty and create safe caring learning climates Based on a practical six part framework for reducing peer cruelty and increasing positive behavior support End Peer Cruelty Build Empathy utilizes the strongest pieces of best practices and current research for ways to stop bullying The book includes guidelines for implementing strategies collecting data training staff mobilizing students and parents building social emotional skills and sustaining progress and presents the 6Rs of bullying prevention Rules Recognize Report Respond Refuse and Replace This is not a program but a comprehensive process for reducing bullying from the inside out involving the entire school community Bullying prevention and character education expert Michele Borba who s worked with over 1 million parents and educators worldwide offers realistic research based strategies and advice Use the book on its own or to supplement an existing program Digital content includes customizable forms from the book and a PDF presentation for use in professional development     *Resources in Education* ,1998-07
