Wings to Soar Tina Athaide, 2024-07-23 A historically relevant middle grade novel in verse about a girl's resiliency when faced with hatred towards refugees. Readers of *The Night Diary* and *Inside Out and Back Again* shouldn't miss out. It's 1972, and Viva's Indian family has been expelled from Uganda and sent to a resettlement camp in England, but not all of them made the trip. Her father is supposed to meet them in London, but he never shows up. As they wait for him, Viva, her mother, and her sister get settled in camp and try to make the best of their life there. Just when she is beginning to feel at home with new friends, Viva and her family move out of the camp and to a part of London where they are not welcome. While grappling with the hate for brown-skinned people in their new community, Viva is determined to find her missing father so they can finish their move to Canada. When it turns out he has been sponsored to move to the United States, they have to save enough money to join him. Told in verse, *Wings to Soar* follows a resilient girl and the friendships she forges during a turbulent time. These rich, vivacious lines combine an insistence on self

grounds family members in faith love and understanding Three generations face hardship Oftentimes they find themselves wondering how tragedy fits into the grander scheme of life During these struggles they turn to the gods and the wisdom of their ancestors to guide them After her husband s life threatening accident Anna finds her life turned upside down Days that were once filled with laughter and love have been replaced with hospital visits the beeps of medical machines and friends attempting to comfort her Soon after her husband falls in a coma Anna discovers that they are pregnant She s hopeful that this beautiful event will return her husband to her especially as she continues to feel his presence and even hear his voice throughout her days However she soon must face that her life will never return to the normal it once was and she faces a crossroad Will she continue to hang on to hope for the life she once had Or will she allow herself to move on and experience happiness once again And who will guide her daughter Sky through the challenges of life whenever she struggles to balance her past with her present

Joleen Ed Bach,2018-04-14 After a ten year absence Ed Bach author of the controversial collection of short stories *So Long Charlie* delivers his latest and most complex novel to date Joleen Bachs latest work is an unsentimental look at two people struggling to make sense of the world the beautiful but mentally unbalanced Joleen Simmons and her clinging colorless husband Hush Simmons Entering high school Joleen becomes an immediate sensation She is sweet charming and very beautiful But that sweet high school introduction abruptly ends when a lurid side of Joleen reveals itself and she is abruptly snubbed by her many friends In college Joleen joins a well respected theatrical group where her natural gifts bring immediate success She quickly maneuvers to the top only to blow it when she is given the lead in the schools featured play and is laughed from the stage Rejected she takes a job she hates She becomes restless and marries a man she will soon regret She torments her daughter yet confides in a sister who continually betrays her She bullies her mother yet adores a womanizing drunken father She performs whorishly in bed with a husband she refuses to kiss

Reminiscent of April Wheeler in Richard Yates *Revolutionary Road* Joleen Simmons is a woman thrust into a life she neither wants nor accepts No one can say for certain if Joleen is a complete nut case mentally unbalanced crazy or simply someone so broken by the events of her past that she unashamedly torments and manipulates her way through life And what of Hush Simmons the fawning high school friend Joleen marries divorces then quickly lures back into bed Is it her natural beauty that drives him to the limits of his own sanity Her superior upbringing Her familys wealth Or is it Joleens raunchy behavior that steals his personal identity and turns him into a man he no longer recognizes someone so corrupted by his wifes physical aggression that he loses sight of who he is and what he has become a murderer From the author of *So Long Charlie* Bach delivers an existential examination into the lives of two people at war with each other and themselves a couple so riddled with childhood memories that their present actions only serve to drive them further and further apart Bach offers no answers to lifes greater mysteries Instead he brings to mind questions the reader may wonder about for years While the story and its many characters are fictionalized the storys central plot is real
