Serpent & Storm Marella Sands,2015-01-06 In *Serpent and Storm* by Marella Sands enter the world of Sky Knife A Mayan youth who was cursed with an unlucky name from birth From a vision given to his mother Sky Knife is pledged to honor whatever destiny the gods have decreed Farmer soldier merchant all these roads are closed to him He isn't even worthy as a sacrifice to the gods Sometimes however the gods have a very wicked sense of humor and what some sages think of as the worst cosmic luck may in fact be the touch of the gods own hands From temple pariah to hero Sky Knife discovers the magic within him and not only thwarts all the evil plots surrounding his king but wins the hand of the beautiful and beloved Jade Flute in the process Enemies vanquished and evil magic dispelled life is good And as Sky Knife prepares for the birth of a long awaited child it seems like the fates have given him all that he desires But it appears the gods aren't quite done with Sky Knife just yet He is to be sent to the distant city kingdom of Teotihuacan to bring greetings and to reopen diplomatic ties with these strange people From missed meetings to strange guides corrupt counselors to a bizarre court Sky Knife feels his world shifting dangerously out of balance And when the Teotihuacan king is killed and bad luck seems to descend upon his kingdom it is left to Sky Knife to solve the riddle of his death Or he will be slaughtered in the killer's stead At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
